

IMPORTANT REMINDERS

STUDENTS WHO ARE UNWELL - Does your child feel unwell and have symptoms such as a cold, blocked ears, cough, sore throat, sneezing, chills and/or a fever? Anyone with those symptoms should stay home from school and contact Healthline (0800 611 116) or your doctor for advice.

Students who become unwell at school will have their parents/caregivers contacted to collect them immediately. We will advise if your child has any of the symptoms above. We are unable to have your child in sickbay during level 2, so they will remain in class until you collect them. Please report to the office when you arrive and the office staff will arrange for your child to meet you in the Lodge Ave staff carpark.

BUS STUDENTS – Due to distancing requirements, there is not enough room on buses for all students. Please, if you can, arrange alternative ways for your child to get to and from school, during Level 2. Perhaps others in your neighbourhood could carpool to get students to and from school. **STUDENTS WHO HAVE REGISTERED FOR THE BUS SERVICES ARE STILL NOT GUARANTEED TO BE PICKED UP BY THE BUS.** The school registration is for contact tracing purposes only. Please ensure your child has a cellphone or has a safe place (friend/neighbour) to go to if the bus does not stop. For queries regarding buses please contact Bay Bus.

STAFF CARPARKS – Please refrain from using the staff carparks as pick up or drop off points for your child. This causes congestion and grid lock and it is also endangering our students who are arriving or leaving school grounds. We are particularly concerned about parents/caregivers using the Links Ave bus bay in the mornings and the safety hazards that this is causing.
