Hey my lovelies, we understand that it is really cold this morning. Hoodies are an optional part of our out of school "sports" uniform. They are not part of our day to day uniform. Do not wear these to school. Wear the school fleece or school jacket. If you do not have a fleece we have spare fleeces in the office, that we can give you. Girls may wear black opaque tights with their skorts in the winter (Not sports tights). If you feel the cold you might also wear a thermal that is hidden underneath your uniform. Boys, our socks are plain black.

Well done team, we had a lovely calm return to school. Yesterday, most of you were very sensible in following the social distancing guidelines. That means no more than 10 in a group. This is a really important guideline. If we are unable to follow these guidelines we will need to have staggered break times with only half the school out at one time, like we did just before Rāhui/Lockdown. Make good choices team! 😊🌱

Students make sure you have a water bottle at school and BYO headphones. 😊🌱

If you had a school device during rāhui/lockdown please return this to the HALL before school.
