

SMART SCHOOL-TO-HOME COMMUNICATION WITH “BEEP”

We are pleased to advise that we are now setup to communicate with you through BEEP. This smartphone app is from School-links, New Zealand’s leading communication provider and.....it’s **FREE!**

This will enable you to:

- receive news, newsletters, emergency alerts and important messages straight to your Smartphone
- receive group messages for teams, clubs and special interest extra-curricular groups
- securely send in an absence note for your child to the office

You may also find your other children’s schools and early childhood centres using the Beep app – all communications in one place!

To download the FREE app:

1. Go to Google Play (Android)
<https://play.google.com/store/apps/details?id=nz.co.beep.android.beep>

or the App Store (iPhone)
<https://itunes.apple.com/nz/app/beep/id1201078200>

2. Enable push notifications in your settings:
Settings > Notifications > Select Beep > Allow Notifications

How much will it cost you?

The Beep app is free and the push notifications to your phone will use only a tiny amount of your mobile data, or you can use your home Wi-Fi network.

You don’t have a Smartphone?

The School-links software recognises those caregivers who have not downloaded Beep and will send emails instead of the Beep notifications.

We will continue to send all emergency alerts and absence notifications via email, as well as Beep, to ensure that we get critical messages through to you.
