

Covid-19 Update

Kia ora koutou

Following the announcement from the Prime Minister we will remain at Alert Level 2.

Just a reminder that while everyone is onsite at Alert Level 2, we must adhere to key health measures including:

- *Good hand hygiene and cough and sneeze etiquette*
- *Staying away if sick*
- *Keeping the appropriate physical distance from others*
- *Cleaning and disinfecting our high touch surfaces daily*
- *Displaying QR code posters at our entrances and encouraging all of our community to download the NZ COVID Tracer App and use it if they come onsite*
- *Keeping a visitor register for anyone who cannot use the app and for other visitors who come onsite for a period of time.*

We know all these things will help to keep our community as safe as possible. Because of these measures, your child does not need to wear a face covering while at school. We will of course support them should they choose to do so.

For those of you who might be finding things more difficult than usual, a reminder that there is a large range of support available for businesses and the community. We encourage you to go to the [covid19.govt.nz](https://www.covid19.govt.nz) for more information, or get in touch and we will help you to find the information and support you need.
