A member of the public has phoned to say that the behaviour of a group of girls who got on the public bus in Links Ave after school on Wednesday, was not good.

They were yelling and shouting at each other and disturbing other passengers on the bus, some being forced to move from their seats.

If you were part of this group, please remember that while you are in uniform, you are a representative of our school, and we ask that you behave appropriately

Whanau 2 is Walking the Length of NZ today and we need your help!

If you spend 10 minutes running (playing touch, football or any other game during your interval or lunchtime) you will have walked between 1400 - 1500 steps. If you just want to spend your interval walking around with your friends, you will have walked between 1000 - 1300 steps in 10 minutes. If we can get 550 people to walk 5000 steps today, MMI will have walked the length of NZ. A google form will be sent to your teacher. Please complete one each and submit - we will let you know the results next week. THANKS!
