#### A note from our caretaker

Food and lolly wrappers and rubbish are rife in the changerooms. kids are removing the drain covers and stuffing food and socks down it. I understand the boys toilets smell disgusting but its a losing battle as the boys urinate EVERYWHERE...walls,toilet paper holders and doors,and toilet flushing isn't happening. I have tried everything to maintain the toilets so they don't stink but I'm out of options so if students complain about the state of the bathrooms it's because of their peers..no-one else,

(from Mrs Harvey) one of our coastal values is Respect - please be respectful of our shared facilities. Toileting behaviour needs to improve, to ensure toilets are available to everyone and they are in a state that is fit for use.
