Kia ora Parents and Whanau

Welcome to week 8; the week of Matariki.

As you will know, today was our cross country at Omanu Beach. Whilst cross country running is not for everyone, it was fantastic to see most of our students at the beach this morning, giving it their best go. I love the sight of large groups of children gathering on our beautiful beach to run towards Mauao. It's such a beautiful, unique place to run a cross county on a beautiful fine wintery day.

Thank you to the parents who braved the cool temperatures to come down and cheer their children on.

Congratulations to our place getters and to all students who earned points for their house.

KiwiCan

This afternoon, I saw Harmony and Zac having fun with some students from whanau 3. Harmony and Zac are our awesome KiwiCan teachers. Our students are super lucky to have one KiwiCan session per week with these two awesome role models. KiwiCan supports and teaches young people to be encouraged to stay positive, aim high, go for their dreams and make the most of their unique talents. They teach values that align with our school values and have great relationships with our students.

Board of Trustees Election

We will be holding an election in September to elect a new Board of Trustees for our school. If this is something you might be interested in, please make contact with Lee Martin for more information - l.martin@mtint.school.nz.

School Survey Online

Thank you to everyone who filled out the survey online. Congratulations to our four winners of the Bayfair vouchers.

Lastly, bookings for our term two learning conferences will go live on Monday. Watch out for an email so you can book a time to see your child's teacher on Thursday 7th July. We would like to see all parents so we can work together with you to maximise your child's potential.

I hope you all enjoy the long Matariki weekend with your families.

ICAS TESTING INFORMATION FOR 2022

Registrations for 2022 ICAS Testing are now open. Please visit this page on our school website to register your child - <https://mtint.school.nz/icas-testing-information/>

Entry for these tests is optional and open to all students at Mount Maunganui Intermediate. However, there is a cost for each test of \$20.70 which needs to be paid by parents when they register.

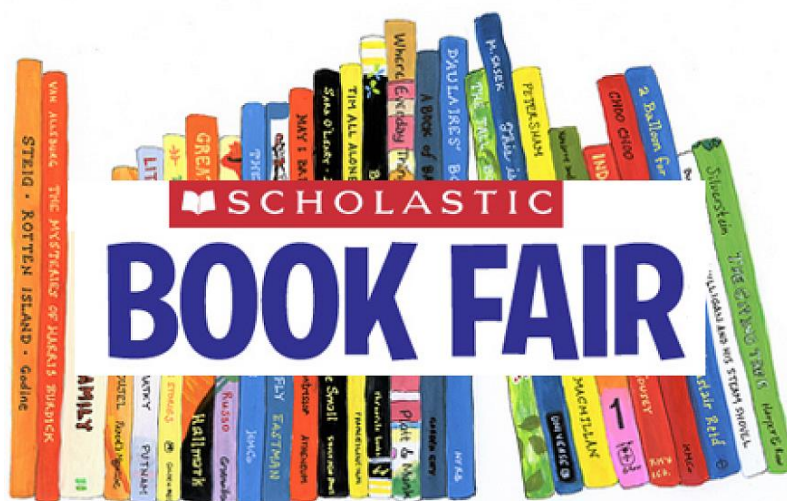

Registrations close on the 1st August 2022.

The ICAS assessments offered online for 2022 are Writing, Digital Technologies, English, Science, Spelling and Mathematics. Students can complete as many of these tests as they wish.

ICAS tests are sat by thousands of students throughout New Zealand, Australia and other Pacific nations. The testing process is administered from Australia and will be completed online.

SUPER 11 ULTIMATE FRISBEE

ULTIMATE FRISBEE and SOME PRETTY GOOD KARAOKE!

Thursday and Friday of last week, our Mounties went to the mighty Gisborne to compete in a Super 11 Ultimate Frisbee tournament.

On the way there, the school van quickly became a karaoke room as Mr Weis showed off his amazing singing skills, but we were still full of energy and determination to win and enjoyed staying with our billets for the night.

First game in pool play was against Ilminster from Gisborne. It was a tough start, but we ended up coming out victorious with a 4-2 win! Feeling positive after our win, we were ready to face the reigning champions Te Puke. It was a rocky start to a thrilling game and going into the second half of the game it was 2-2. Unfortunately, we couldn't hold on to the tie and ended up losing 4-2. We weren't discouraged. Next we played Gisborne 2 and after a little bit of complacency we finally ended with a convincing 6-0 win. Bring on our last pool game. There was some pressure, as another win against Whakatane 2 and bonus point would ensure we qualified for the semi-finals. This was another good performance where our team really started to gel as a unit and we again came away with 6-1 win. Semi-finals here we come.

Left to right: - Alkaris, Brayden, Ricardo, Charlie, Lucas, Maddison, Sophia, Mia, Ambar, Shamar

Our semi-final was against our friendly rivals - Tauranga Intermediate - who were the top placed team after pool play and silver medal winners from 2021. Things didn't quite go according to plan and we found ourselves quickly down 2-0. In true Mountie fashion we didn't give up and it quickly became 2-2, then in a tight few minutes we managed to turn the game and won convincingly 5-3! That was an excellent feeling as we were now off to the final to face Te Puke - again!

Before the match both teams came together to congratulate each other on making the final and to say good luck. One thing that really stood out is that this is a highly competitive, but also really friendly tournament. Then the battle began. It was a strongly fought, yet low scoring game. Fierce, determined defence and length of the field attacking plays were swapped between teams. At the final whistle everything was left out on field with both teams exhausted. Te Puke taking the gold and are the 2022 Champions again, Mount taking silver. Although we may not have been able to bring the trophy home, we were super proud of our effort, teamwork and sportsmanship displayed over the entire day. And on the bright side - we still had Mr Weis's karaoke to enjoy on the way home ...

FLAG GRIDIRON

Flag gridiron is an inclusive, non-contact, fast, fun, condensed version of American football. The response from the kids has been amazing and it would be great if they wanted to continue further in the sport during the spring/summer.

Girls of all ages are welcome, along with their friends and whanau. The girls practice sessions are currently being held weekly, every Sunday at 2.30pm in Memorial Park Tauranga. Sessions for boys will be organised later in the year.

For more information go to <https://www.facebook.com/BOPFlagFootball/>

MATARIKI NATIVE PLANTING ON MAUAO

Morning of June 24th (Matariki Public Holiday)

PiPS would love you to join us! This is a little different to traditional plantings, as tamariki grew these natives at our local schools from seed collected off Mauao over a year ago as part of the PiPS Mauao Regeneration Project! Local iwi have set aside a special site for planting, in what we have named the “PiPS Whanau Ngahere”, a place you can visit for years to come - very special!

As part of Matariki Ki Mauao 2022 and our re-planting will take place after the opening of the ātea a rangi (a celestial star compass) at the top of Mauao. This special ceremony takes place at the Mauao summit at 5:45am and following this, we will walk down to start planting, with PWO Navigator Jack Thatcher (CNZM) blessing our site and Josh Clark, Mauao Environment Advisor helping us.

Nau mai haere mai e te whānau. Please register your interest and we will send information closer to date around timings and where to meet. If you do not wish to take part in the opening at the summit, you can meet us at the planting site.
