PSG MEETING
Originally Monday 21st March

POSTPONED
Date - TBA

Pictured above: These were an incredible bunch of students that 'gave back to the community' last Friday. They put their gloves on, took rubbish bags and cleaned up the perimeter of the school.

An awesome job and we were super impressed with their involvement.

Kia ora Parents and Whanau

Welcome to week 7. The term is certainly speeding by.

This week has been another great week for the classes who are out on camp. The weather has been stunning and the students and teachers are thoroughly loving the experiences out and about in Tauranga Moana. Huge thanks to all parents who have helped us with transport and supervision. We also appreciate those who have paid the camp donation. Please pay this donation if you can, via the office or online.

On Wednesday, a fit group of swimmers completed a two kilometre swim at Pilot Bay. They were accompanied by Mr Banbury who was rather impressed with the speed and skill of the swimming group. Thanks to Mr Spraggon for organising this opportunity for our endurance swimmers and to the great group of parents who supported this event on paddle boards and in kayaks.

Earlier this week, I was contacted by a member of our community who was riding their bike and was nearly hit by a car at a local intersection. With all that is going on around our school, with road works and drainage maintenance, please be extra careful when driving your car. Lots of Mounties ride their bikes to school and I would hate to hear of any accidents resulting in injury.

Covid

Covid cases continue to affect our community. We are seeing a rolling pattern, with more and more cases recovered and returned to school, as well as new cases regularly cropping up. Thank you to all families who have let the school know if their child tests positive. We appreciate your open communication.

We are also seeing increasing numbers of staff affected by the virus. At this stage, we are able to source enough cover to have all our classrooms functioning. Please know that if cases amongst staff increase, we may need to join classes with low numbers together. We realise that not having their usual teacher can be unsettling for some students, however at times, this cannot be avoided I have challenged all MMI students to be super respectful and helpful no matter which teacher is in front of them. This is a way of showing our coastal values and being mature and responsible learners.

Vaping

Vaping is something all young people should be informed about. Sadly, whilst the number of cigarette smokers has been rapidly declining, vaping numbers are on the increase in New Zealand. Talking with your child about issues such as vaping can be stressful. If you'd like some ideas about how to have this conversation, have a look at this great resource from the Parenting Place - [Vaping Information](#)

Have great weekend everyone.

Nga mihi nui

Mount Maunganui Intermediate Sponsorship

With over 25 years in the real estate industry and having sold over 500 properties throughout Mount Maunganui, Papamoa and Tauranga, Team KellyO know the market well and understand what is required to realise our client's goals and objectives. We are dedicated and committed and are proud to be able to offer superior customer service to our clients.

We have two daughters, one at Mount Intermediate and one at Mount College, and having been involved with our Primary school PTA and the Mount Intermediate PSG, we totally understand the work that goes into school fundraising.

To help out we would like to offer the following to all families and friends of Mt Maunganui Intermediate.

List and sell your home with Team KellyO from EVES and we will donate \$1000 to the Mt Maunganui Intermediate PSG to help towards fundraising! *

And if we help you purchase a home we will donate \$500.

**This offer applies to families of the school as well as friends of the families as long as they mention they are associated with Mt Maunganui Intermediate.*
