GREEN TEAM

Our Green Team was amazing. They were at the netball courts early in the morning until the end of each day. They filled 5 truckloads of recycling just in their area and then went and helped out other schools. True unsung heroes!

Kia ora koutou

Our thoughts and condolences go to the family of Queen Elizabeth II who passed away this week. It has certainly been a topic of conversation and prevalent in the media. As you are aware, there will be a one-off national public holiday which will take place on Monday 26th September.

Te wiki o te Reo Māori took place this week with teachers and students working hard to further extend and embrace their knowledge and skills in te reo Māori. Students have participated in a variety of games, art, activities and competitions which have inspired them to practise their reo.

This week we had our school speech finals. Two students from each team were selected to go through to the finals. We would like to congratulate all of the students who made it to this stage. We would also like to thank Alistair Sinton (Principal of Mount College) and Shem Banbury for judging these. They were very impressed with the way the students presented their speeches and the diverse topics that students had selected.

The results are below:

Year 7:

First Place - Evie Pitts (Minimalism)

Second Place - Amelia Joynt (What is normal?)

Third Place - Ayla Wild (Phobias)

Year 8:

First Place - Miranda Stuart (Creepy toys)

Second Place - Riley Ramshaw (Health is wealth)

Third Place - Hope Black (To eat meat or not)

Next week, Whāea Melissa and Mrs Thurston are off to Korea to meet international students who may like to attend Mount Maunganui Intermediate next year. We wish them well on their travels.

This week we welcome our new BOT members and we look forward to meeting them all next week in person. Thanks to all those who voted and thank you to those candidates for putting their hands up to stand for our Board.

Finally, I would like to again thank the coaches, managers and teachers in charge of teams at AIMS games. A special thanks to Andrew Spraggon who organised the 300 students who attended from our school. It is a huge task, however, it went off without a hitch. We have had some lovely feedback in regards to the teams and staff who were involved in AIMS (I have copied a few below).

“Firstly, what an amazing job you have done, organizing aims for Mt Maunganui Intermediate, what a huge task for 1 person to do! Thank you for all your hard work.

Secondly, I just wanted to say how amazing this experience has been for my son, and how lucky we were to have Roy and Maui take our futsal team. They were absolutely the dream team, they did so well with our boys, all their commitment and dedication to this team has been top level. I have been lucky to manage this team with amazing coaches and support from the parents has been phenomenal.

Last week I was fortunate to be able to watch a number of the rip rugby games at AIMS as my daughter was a referee.

I wanted to reach out to let you know how impressed I was with the Mt Maunganui Intermediate team. They displayed great sportsmanship both on and off the field right across the team from players, coaches and supporters.

They were congratulatory to the other team on their win, and were one of the few teams to thank all the officials. Congratulations to the team on an amazing AIMS games.”

Have a fabulous weekend everyone!

MMI AIMS GAMES REPORTS

WELL DONE TEAM MMI

So pleased with the way the week went and the way our MMI team of 300 represented themselves so proudly out in the community. Parents you should all be very proud!

Thanks for the efforts of our volunteer coaches & managers. You were awesome and the time and energy you put into our students having a fantastic week, was very much appreciated.

A great experience and memories for all involved and hopefully a lifetime love and involvement in sport. 👍

Andrew Spraggon (MMI Sports Coordinator)

CROSS COUNTRY

The Mount Maunganui Cross Country team had a superb day at the AIMS Cross Country. As expected, the large field and great weather, ensured that the pace was fast for all races.

Standout performances came from the Year 7 boys' team who won gold in their division. Their combined total was the lowest across all team categories.

To finish the day our 12km relay team won a silver medal against some strong teams. Amazingly our team of 8 runners averaged 3:30min per kilometer across the 12km. That is rather speedy!

TENNIS

A great week of singles and doubles games for the tennis team (pictured right): Grace Murgatroyd, Lizzy Taylor, Cobain Jones and Jethro Mortell.

Unfortunately, Monday tennis was postponed due to the rain. Tuesday catch up games involved games played at Te Puke tennis club and Papamoa. All players competed in two to three games of singles and two games of doubles over the week.

Although no medals were won, everyone played exceptionally well showing great sportsmanship and having positive attitudes throughout.

Well done team!

BADMINTON

Our badminton team played exceptionally well throughout the week, developing their skills and coming away with some great results against some stiff competition. As a team, they looked out for each other, were always reliable and gave their best no matter who they faced. I have to thank the parents for their support and positivity throughout along with Tarryn who helped prepare our girls for AIMS and who also had the mammoth task of organising the competition.

All the girls (pictured right) won at least a match in the singles pool play. Lexi qualified for division 2, which is remarkable for a novice player. Kyla and Ava made division 3, Michelle and Indi division 4, Grace division 5.

By the time of the doubles competition in the second half of the week, the girls had really developed their skills and again the results were really pleasing. Lexi and Ava made 10 points in division 1 against a nationally ranked team that trains with professional coaches for hours a day. Grace and Kyla were a fantastic partnership finishing 3rd equal in division 2., Michelle and Indi came away with a very well-deserved 1st place in division 5, a highlight for the tournament!

The team medal went to Kyla. For a novice player, she came such a long way in the competition. Her determination and effort in every game, for every point, no matter the result, was exceptional.

All in all, it was a great week with an amazing team!

Mr Steven Entwisle (Manager)

SAILING

Well done to the MMI sailing team (pictured below). Harry retired injured. Tyler was 12th placed in year 8. Tyler sailed in the biggest fleet ever, lodged his first protest and received his first ever penalty. His biggest takeaway was the inspiration to compete in more regattas throughout New Zealand.

ROCK CLIMBING

An awesome week was had by all. We had a 23 strong MMI team. 21 of our climbers made it through to quarter finals and 7 then progressed on to the semi-finals, with Mila and Rio Piatek making the finals and then claiming 1st place in their divisions (Year 7 Girls and Year 7 Boys).

It was an outstanding effort by the team, with lots of PB's on the speed wall over the course of the week. The team enjoyed supporting each other and the attitudes from the Mounties and their families was outstanding.

MIXED HOCKEY

With 50 teams in the mixed hockey division, the MMI mixed team did not know what to expect at AIMS but knew that they probably needed to win all 5 pool games to make it into top 8 and the quarter finals.

The first 3 games were pretty straight forward with the team scoring 29 goals and not being scored against. It quickly became clear that the 2 remaining pool games against Te Awamutu and Whangarei were going to be much tougher - must wins. The teams defence held tight with tense 3-2 and 1-0 wins to seal a spot in the quarters.

Local, quarter final opponent, Te Puke put up a great fight but in the end Mount comfortably overcame them with a 3-0 win to book a spot in the semis against tournament favourites Hillview, who had scored 58 goals in their first 6 games. It was very exciting and such a cool experience to have the game live streamed and commentated by Glenn Lamar from Sky Sport.

The team played with great defensive fight and produced some very composed hockey, scoring first, but then being unlucky to be tied 1-1 at half time after Hillview had a breakaway goal. At 1-1 halfway through the 2nd half the tense game was anyone's until a couple of brilliant individual plays from Hillview broke the deadlock to see Mount go down and return on finals day to play for bronze against a strong Palmerston North team.

In a very tight medal match with a great crowd cheering on the team from the side-line, Mount produced a fantastic display of their typically strong defence and composed and patient team-based attack for a 2-0 win and the bronze medal. An amazing result for Mount hockey and thoroughly deserved for the team that put everything they had into their games and stuck together and played together as a team right through the tournament.

CANOE SPRINTS

A strong southerly wind from the snow-covered Central Plateau made for an incredibly cold day at Pilot Bay, but that did not deter the MMI Canoe Sprint Team who all showed great strength of character and skill in very challenging conditions, against over 80 other paddlers, from 21 schools.

Each paddler raced in 2 heats with accumulated points determining what tier final they then raced in. Kate and Maia both made it to the B final in year 7 Girls and finished 10th and 11th overall respectively. Ed and Sam made the A final and finished 4th and 5th overall respectively. The year 8 girls A final was set up to be an epic battle with some very strong canoe sprint paddlers including MMI's Poppy and Isla. In a tight, fast race Isla managed to get out in front and hold to take the gold, with Poppy being unlucky to be caught in traffic to finish 4th.

Onto the team relays, with MMI entering a Year 7 Boys team with Sam, Ed and Kate, and a Year 8 girls team with Poppy, Isla and Maia. The Year 7 team had a great paddle to take out the silver and the strong MMI Year 8 girls team dominated their race from start to finish to take out a very comfortable win for the gold.

In very challenging conditions the Mounties showed just how gutsy, tenacious and tough they are and came away with 1 individual and 1 team gold and 1 team silver to make it a very successful day for MMI on the water.

FUTSAL GIRLS

The girls came 9th equal out of 16th, top of the bottom pool and had some amazing results. They came together as a team and displayed great sportsmanship and were praised for that a number of times of how they treated each other and other teams.

Lots of the girls were playing futsal for the first time and to compete at this level and come away with some strong wins was awesome. Lily was awarded with the Players Award for displaying true grit and determination and high level of skill and confidence. However, it was hard not to reward everyone for their efforts especially with having three games on the first two days and big breaks. They would fill their time wisely by coming up with activities to keep them together as a team.

Above everything else I think it is a big experience they won't forget.

Grace (Coach of Futsal Girls)

AIMS TABLE TENNIS

5 days of glorious table tennis:

Monday - teams

Tuesday - teams knockout

Wed - singles - to 7pm!

Thu - doubles

Fri - semis and finals

3 boys doubles made it to the semi finals before getting knocked out. Izzy won the plate singles final and got a prize.

The girls team made it to the playoffs and got 4th place in the teams! Ruby and Lou came 4th in the girls doubles!

Such close exciting games. What an amazing week - what an amazing bunch of kids!

INDOOR CRICKET

The 2022 Tauranga AIMS games first indoor cricket tournament was an awesome experience. On Monday, we woke up hyped and ready to go ready for our first game at 11am, but unfortunately Hillview Intermediate School from Christchurch were good and they won the first game. At 4pm we had our second game on Monday against Farm Cove.

Unfortunately, we lost both games but we kept our heads up and went and supported our school in other sports despite the rain. Tuesday, we ended up not winning both of our games but we all had fun looking around at all of the other sports for the rest of the day and got a lot of food. It was very cool.

Wednesday, we lost our game again but we did have a friendly match up against Pukekohe Intermediate School. The match started at 8 pm and we didn't win but we had fun and we supported each other. Thursday just the one game and we lost but all good, still an awesome day for indoor cricket. Friday, we won but it was very close 73-65 - what a day. It was a very fun day and an awesome week. We finished 11th in NZ out of 14 teams.

The players voted Jake Edmonds as their player of the tournament. The atmosphere last week was awesome and so much fun though and the team had a great and enjoyable time and the slushes were very nice 🍹.

By Jake, Charlie and Tye :)

INDOOR BOWLS

Congratulations to the MMI indoor bowls team who had a great week. Victor Cameron and Sage Nasey received 4th place in the Pairs Competition and as a school we received 3rd equal place for overall points. Well done team!

RIPPA RUGBY

Well team, that's a wrap. What a rollercoaster ride with highs, lows, highs again and lots and lots of fun. The MMI rippa players have been an absolute pleasure to work with ❤️. We are so very proud of them and how they conducted and handled themselves over this rollercoaster week that is AIMS.

They have shown support, friendship and effort for each other and demonstrated excellent sportsmanship towards each other and all our opposition and game officials. To us, that is the real success and measure of this team - oh and getting 11th out of 35 teams and 6th in the Heartland Cup is also pretty special.

We thank all the parents and caregivers that have supported us, made this week wonderful and possible. Without you, our kids could not have done this - so again a BIG THANKS to you all. We are already looking forward to and planning for next year. Bring on AIMS 2023. MMI AIMS Rippa, Simon, Nikki, Anna and Mr Weis signing out 🎤

GIRLS FOOTBALL

10 games
2 losses, one went to penalties!
1 draw
7 wins!
28 goals scored
9 goals conceded (3 were from the penalty shootout)
Finished 7th out of 30 teams!

Those are our playing statistics, and we are very proud of them.

But we are prouder of how we played as a team, how we supported and encouraged each other, how we always gave 100%, the sportsmanship we showed and how we treated our opposition and the ref with respect. We are proud of how we represented MMI, both on and off the field.

Great AIMS memories and friendships made by the MMI football girls!

MOUNTAIN BIKING

What a fun and well-run competition! MMI competitors did so well - everyone trying their best both when competing and supporting. MMI parents provided lots of great food and support for MMI bikers and the manager.

Our athletes battled with difficult slippery tracks, steep hills and bike faults - but rose to the challenge showing determination, endurance and great sportsmanship.

Special congratulations to the top 10 placers: Miles O'Neil who came 8th in Y7 Boys XCcountry; Olive Illingworth coming 9th and Maia Wright coming 10th in Y7 Girls XCcountry; Poppy Richardson placing 7th in Y8 Girls XCcountry and 1st in Y8 Girls Enduro; and Max Young who came 5th in Y8 Boys Enduro.

Miles O'Neil received team player award after offering Kade use of his bike when Kade's braking system failed 30 minutes before his event started.

NETBALL

MMI 8A netball team had a huge week at AIMS, playing 12 games over the 5 days, and finishing up 20th out of 110 teams – an awesome achievement! Our first goal was to make A Grade, which we did by winning our pool. We then got put into our next pool of 4, where we had one win, a loss by 3 (to the team that ended up finishing 9th) and a loss by 8 (to the team that finished 2nd overall). All in all, a tough couple of days, but the girls pushed through and left everything on the court, showing great sportsmanship over the entire week.

A big thank you to Kyra Ormsby, the incredible coach, who has gone above and beyond for these girls the past two years. The girls have learnt so much and always have fun when Kyra is around. We are so thankful for your time and commitment. Another thank you to all our supporters for being there day in/day out and for Kristie our amazing manager, who helped make the week so much more enjoyable. 😊

HIP-HOP

The AIMS Hip-Hop girls placed 12th in a pool of 25 teams.

They worked tirelessly from early Saturday morning to well into the evening between rehearsals, prelims and finals as well as all term 2 and 3.

Very proud of them and thankful to their choreographers from MMC Maia Fleming and Sivana Alabaster.

BOYS RUGBY

Great week of rugby with lots of learnings.

The boys finished up 23rd but we felt way better than that result. We lost 4 games in the last play of the game. A lot of kids would have dropped their bottom lip with these results, but the Mount boys were never down for long. They finished their last game with an awesome try after the final hooter to win the game showing some great fighting spirit. Well played boys!

CANOE SLALOM

AIMS Games Canoe Slalom 2022 Kate Heywood, Charlotte Hamilton and Jake Te Wheoro-Mills entered Canoe Slalom this year representing Mt Maunganui Intermediate School with Ed Cooney unfortunately pulling out due to illness. The event took place at McLaren Falls with a training day on the Sunday and race day on Monday. 12 other intermediate schools entered from around NZ.

Monday was an atrocious day with rain and freezing conditions all day. The outside temperature never made it past 7 and the water 3 degrees apparently. The two St Johns officers were constantly looking at the paddlers for any sign of hypothermia throughout the day. The year 7 girls started the day off with 2 x heats with both Kate and Charlotte paddling against 11 other girls. The heats were taken on times with the course being paddled side by side. If you started on the left side heat 1, you started from the right side heat 2. Both girls raced as hard as they could in each heat against tough competition. Charlotte made it to the ¼ final and raced extremely well under the conditions. I am sure her dad's flask of Milo helped as Kate and Jake were also very grateful to have a couple of mugs over the day to ward off the chilling cold from the rain and the river. Jake's heats were very quick, against his friends' twin brothers paddling for St Peters school and went straight into the ¼ final.

The head-to-head finals were after lunch which saw the Mt kids each go to their cars and try to warm up with food. The rain was relentless, there were a lot of cold kids and mud everywhere but still they carried on, never complaining and giving it there all plus cheering like no tomorrow for their school and friends. Jake paddled his way into the semi then final with a lot of encouragement and clapping from the riverbank. He came away with the silver medal placing him 2nd fastest AIMS games year 7 canoe slalom paddler in NZ.

Next event was the teams racing comprising of competition teams and social teams over each year group. Mt Intermediate automatically got put into the competition year 7 teams' event with the girls, Kate and Charlotte paddling in the boys' event because of Jake. They paddled so well for 3 tired and very cold newbies and came away with the bronze medal for 3rd standing on the podium as proud as they could be. It was an exceptional day and those 3 year 7 paddlers accumulated 36 points overall for Mt Intermediate school.

BOYS WATER POLO

The MMI boys' water polo team had an outstanding AIMS games tournament with some high quality games against some strong water polo schools.

The team made it through to the top 8 after their round robin, where they played Murrays Bay for a place in the semi-finals & top 4. The boys won this game which meant they needed to play the unbeaten all year Sacred Heart team, for a place in the final.

The boys played a cracking game to beat Sacred Heart in golden goal & the right to take on St Kents in the final. Again, the boys played out of their skin taking the final to a second golden goal match in as many games, but unfortunately this time it was St Kents that scored first, with our boys taking the silver medal.

Well done boys we are all very proud of you.

MORE GREEN TEAM ACTION!

BOYS BASKETBALL

An outstanding week for our boys basketball team. Made up of both the A and B teams. Our goal was to have at least 1 win during AIMS tournament. With outstanding effort and passion from all of our players resulted with a overall 5/9 games won. Placing 14th out of 74.

Excellent sportsmanship and Coastal Values both on and off the court. Lots of moments to celebrate and take away from an awesome week together. Year 7's are inspired and keen to give it another nudge next year!

Player of The Tournament: Raymond Wilson. A positive player who works hard both offence and defence. Inspirational Raymond!

GIRLS BASKETBALL

It was an epic week with an incredible bunch of kōtiro!! A hardworking, humble team of girls, they deserved the win for more than just what they left out on the court...they were truly playing for the love of the game. Their sportsmanship was second to none, it was nothing but positive all week and all season.

We loved every minute of it! Congratulations on your gold medal team! 🏆

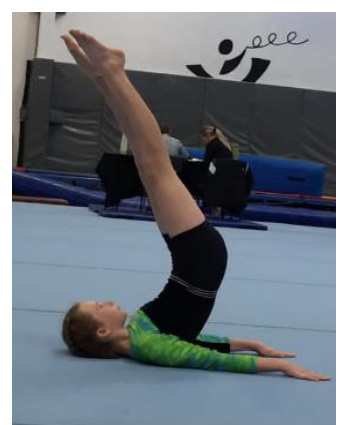

FOOTBALL

The football boys had an awesome week at AIMS doing what they love best...playing lots of football!! They worked well as a team and were really supportive of each other on and off the field.

They won 5 games, drew 1 and lost 1 which got them into the round of 16. They were defeated for the first 3 games but then bounced back and won their last game, which earned them 15th place out of 50 teams! It was so awesome to see the boys hanging out together in between games and supporting the girls' team whenever they could! They even had a break from football to go and take part in the Mount beach cleanup.

We would like to give a massive thank you to Ella and Todd for their amazing coaching and support of the boys leading up to the games and then through the week! Also, a big shout out to all of the parents for their amazing support, one parent opening her house to us on Monday so we could dry out between games and another letting the boys spend the afternoon hanging in their pool and spa! So many memories were made and friendships strengthened!

GYMNASTICS

A super couple of days at Argos Gymnastics Tauranga, during AIMS week. All girls performed with enthusiasm, supporting each other along the way. Congratulations for being part of this special event: Willow Carswell, Alenie Cooke, Millie Crowe, Ava Alison, Molly Laery, Mila Milfont, Indee Pack, Sapphire Service, Mila Watherston. (Whaea Claire)

Are you a keen writer? As part of the Escape Festival Tania Roxborough is hosting a storytelling workshop. Information is below, and also [online](#).

Tania Roxborough (Ngāti Porou) is an award-winning author of more than thirty published works. Her book, *Charlie Tangaroa and the Creature from the Sea*, was the 2021 Margaret Mahy Book of the Year. She is a high school teacher, writing mentor and te reo Māori Masters student.

This workshop, for rangatahi aged 11 to 14, will take young writers through the do's and don't's of storytelling and why it is so important to get it right. Creating authentic voices are important in your writing.

Attendees will consider other points of view, investigate their characters' stories, and work through a step-by-step guide to awesome, authentic writing.

A black rectangular poster for the Escape Festival. On the left, a list of roles: Writers, Thinkers, Poets, Visionaries, Activists, Artists, Performers, & more. In the center, the word 'escape' is written in a large, white, stylized font. To the right of the word, it says 'LITTLE FESTIVAL BIG IDEAS'. Below the word, it says 'Tickets on sale now!' and 'taurangafestival.co.nz'. In the top right corner, it says '12 to 16 October'. In the bottom right corner, it says 'Proudly brought to you by Tauranga Arts Festival Trust' next to a yellow circular logo.

FLAG GRIDIRON

Flag gridiron is an inclusive, non-contact, fast, fun, condensed version of American football. The response from the kids has been amazing and it would be great if they wanted to continue further in the sport during the spring/summer.

Children of all ages are welcome, along with their friends and whanau. Practice sessions for children are currently being held weekly, every Saturday at 10.00am at Arataki Park, Tauranga.

For more information go to <https://www.facebook.com/BOPFlagFootball/>
