Online orders are due

Tuesday 25 October - 9am

Don't miss out!!

Kia ora koutou

This week our DanceBrandz girls (pictured below) went to Auckland to compete in the National competition. These students have been working hard all year to learn and perfect their dance routines to compete at national competitions.

The results were as follows:

The Kokomo troupe - Second in the Intermediate Jazz division

The Waves troupe - Second in the Intermediate Contemporary division.

A huge congratulations is extended to these students. We are very proud of their efforts and appreciate all the work that Mrs McKenzie has done with the girls to help get them to attain these standards.

Next week we farewell our sports coordinator, Andrew Spraggon. He has worked tirelessly for the last three years and managed to get so many of our students involved in sport. Andrew has organised all sporting codes, ensuring that they have; coaches, managers and teachers to look after the students. He has also taken students to camp, sorted sport uniforms, organised billets for inter school exchanges and so much more.. This year, he ensured 308 of our students had the opportunity to take part in AIMs and the week ran smoothly. We would like to thank Andrew for all of his hard work and wish him all the best for his next chapter.

On Monday, the new BOT met for the first time. We are excited to welcome the newcomers and we know that the school is in good hands with the team that we have.

Behaviour

We currently have 709 students at school and most of them are fabulous on a daily basis. They are focused on their learning and meeting our behavioural expectations.

There are times when a few students make choices that do not meet our behavioural expectations and this has occurred in the last couple of weeks with acts of aggression and vaping. We would like to assure you that we take these matters very seriously and there are processes and consequences in place for those students.

This week we have had to stand down 4 students who chose to vape in the toilets. Please talk to your child about making good choices and ensuring that they are strong enough to resist peer pressure. Here is a link to some guidance around talking to your child about vaping. (<https://www.hpa.org.nz/programme/education/young-people-vaping>)

We would like to thank the 99% of our students who are awesome!

Finally, I would like to say a huge thank you to our awesome office staff: Karen, Mel and Leonie. They were integral in AIMS week running so smoothly in Week 7 and they have been working hard with enrolments for 2023. They work so hard behind the scenes and always have a smile on their faces. We are so lucky to have them.

We know that; students, parents and teachers will be looking forward to the long weekend this weekend. We hope you have a fabulous weekend. Take care!

MMI PROGRESS AND ACHIEVEMENT BOOKLET

Progress and Achievement Booklet

To help with the communication of your child's academic progress we are making some slight changes to our reporting system. As usual, your child's work will be uploaded onto Seesaw. However, this term your child's learning progress has been collated within one booklet. We have called this booklet our Progress and Achievement Booklet. This booklet will include samples of your child's class work, assessment information, and learning reflections from term 3.

The key pieces of work included in the term 3 booklet will be:

Mathematics – Geometry – position, orientation and transformation.

Literacy – Including a reading and writing sample.

Inquiry – A reflection and assessment on our energy focus and an example of a completed class task.

This document will be uploaded to your child's SeeSaw account next week and be available to view by **3pm Friday 30 September**. We believe this new system will make accessing your child's progress easier and the document can be easily printed for your own records.

GIRLS WATER POLO

The girls water polo had a tough competition in AIMS with some strong schools from Auckland. It was great to see the girls never gave up and the improvements from all players over the week was incredible.

They finished AIMS in fourth place going down 5-3 in their bronze medal game. They showed some great perseverance and sportsmanship over the week.

FUTSAL BOYS

Our futsal boys had an awesome week during aims games. They came 15th out of 34 teams, only losing a few games by 1 or 2 goals. The boys played to a very high standard, with really good results, only losing to the 3rd placed team by 1 goal.

Their last game was super exciting, with 3 seconds to go, one of our team members booted a ball into draw at full time. The boys got to go to a shoot out, everybody on the team got an opportunity to have a shot, our goalie saved some goodies and we ended up winning that game!

The boys supported one another, showing great team spirit and represented MMI to a high standard throughout the week.

PERSONALISED ARTWORK CALENDARS, CARDS, DIARIES, MOUSE MATS & SKETCH PADS

Calendar Art is now open for online orders. Orders need to be placed online by 9am, Tuesday 25 October. This is a very popular fundraiser for the PSG for 2022.

Your child/children were encouraged to complete an artwork this term for Calendar Art as part of our curriculum. It is a great opportunity for students in our school to complete some artwork and have it published in 2022.

Your child's art can be made into affordable Calendars, Cards, Diaries, Mouse Mats and Sketch Pads. These make unique Christmas gifts for family and friends and are perfect for posting overseas.

UPDATE:

Art has been completed and processed by [KidsArtWorks](#). Please check your email for the unique code. You will need to place your order, online by:

TUESDAY 25 OCTOBER – 9am

This will ensure delivery before the end of term 4.

Below are the prices:

Calendars	Cards \$14.00	Diaries	Mouse Mats	Sketch Pads
\$14.00	(packs of 8)	\$18.00	\$17.00	\$16.00

DON'T MISS OUT! All you have to do is order online!

Thank you to the PSG for helping with this fundraising.
