Kia ora Parents and Whānau

I can't believe that December has arrived! The year has certainly flown by and we are in full swing organising our end of year events.

Our contributing schools have all visited us this week and it was great to meet our fresh faced, excited year 6's, who in 2023 will be our year 7's. Our student councillors did a fantastic job of being tour guides and answering all the questions that our new students asked. We are grateful for the excellent work that our contributing school teachers do in transitioning their students to us. Our transition processes are robust and we work hard as a team of schools to ensure that all children are familiar and comfortable in their new school.

In 2023, our roll will be about 700. This is slightly lower than this year due to a slightly smaller than usual group in year 6.

Earlier this week, I accepted the resignation of Mrs Christine Pearce. Christine has taught at Mount Intermediate for 20 years and most of you will know her as our passionate and dedicated Music Specialist. In her years at our school, Christine has taught thousands of students, imparting her skill and deep love for all things music. Many bands, orchestras and musical groups have benefitted from her dedication, patience and desire to give budding musicians the opportunities to trigger a lifelong love of music. On behalf of our whole MMI whānau, I thank Christine for her many years of service and commitment to our school. We all wish her well in her well-earned and well-deserved retirement and look forward to hearing about her adventures as a new Nana.

Our athletics team have been out at the Super 11 athletics competition today. Super 11 competitions include intermediates from the wider Bay of Plenty, Whakatane and Gisborne. It's a great platform to be competitive against a good number of other schools and to meet new people from around the motu. We look forward to hearing how our athletes got on. Congratulations to our touch team who won GOLD at last Friday's competition.

As the year fast approaches its end, it is important that we all keep our expectations high and manage ourselves positively. Please encourage your children to follow our coastal values, remember their manners and speak kindly to each other.

Have a great weekend everyone.

SPORT CELEBRATION – TOUCH RUGBY

Our team has taken home the trophy!!

Last Friday I was very privileged to take a mixed touch rugby team to Gordon Spratt Reserve to compete in the Western Bay competition. The team all showed determination and represented MMI exceptionally well showing our coastal values and sportsmanship. They won all their pool play games and the final against Aquinas.

Thank you

I would like to especially thank Tane Coleman, their coach and manager, along with the parents and supporters who came down for the day to assist with this event and support our tamariki. The event was very well run so shout out to Papamoa Touch for running this event.

A special mention to Alakris Coleman who was nominated as the best player in the final game - tumeke!!

LIONS PEACE POSTER COMPETITION

Our local Lions Club invites us to participate in the International Lions Peace Poster Contest each year. This begins at a local level and if a winner, will advance to a national and then even an international level.

The theme this year was **'Lead with Compassion'**.

Students design an artwork which shares their unique image of peace with others and visually communicates the contest theme. Thank you to all the students who participated.

Congratulations to Tasman Struthers who won the school competition, the regionals and is now at the national level. Also, congratulations to Ariana Viljoen who was runner up. Both stunning artists who have portrayed the theme extremely well.

WEDNESDAY CHALLENGE

MMI won the prize for best intermediate school in the Wednesday Challenge! The Wednesday Challenge encourages students to use a different mode of transport, other than the car, to get to and from school on a Wednesday. We have up to 85% of our students bus, skate, bike, or walk to school. A big thank you to our wonderful Travel Safe team who have promoted this challenge and collected the data each week.

FLAG GRIDIRON

Flag gridiron is an inclusive, non-contact, fast, fun, condensed version of American football. The response from the kids has been amazing and it would be great if they wanted to continue further in the sport during the spring/summer.

Children of all ages are welcome, along with their friends and whanau. Practice sessions for children are currently being held weekly, every Saturday at 10.00am at Arataki Park, Tauranga.
