## FROM THE PRINCIPAL

Kia ora Parents and Whānau

Week four has been a full and busy week at MMI.

In classes, students and staff have been exploring our new vision: Poipoia te kākano kia puawai, which means; Nurture the seed and it will blossom.

Intermediate is an exciting time of great change and we encourage our students to work hard to reach their potential. Our staff work hard to establish positive relationships and to walk alongside students as they navigate adolescence and the new opportunities that intermediate offers.

### Vaping

In assembly this week, I spoke with the children about the dangers of vaping. My key messages were:

- Vaping is illegal for all children under the age of 18.
- Vaping is harmful to the developing brain. The long term effects of vaping are still unknown and we believe vaping is detrimental to the health and safety of young people.
- Vaping is a harmful and dangerous example to others. It reflects poorly on the student and on our school.

Unfortunately, we are seeing increasing numbers of children engaging in vaping. This is of real concern to us and our concern is shared by our colleagues in other schools. If students are caught vaping at our school (or on our buses), they will face internal or external stand downs, parents will be contacted and a booklet about vaping will be completed under supervision.

Please talk with your child about why vaping is not a good idea for emerging adolescents. We appreciate you supporting us to do everything we can to encourage our tamariki to make positive choices about their health.

### Sister School Relationship

Last week, I met with Hitoshi YOSHIDA who is the principal of Tanaka Gakuen Ritsumeikan Primary School in Kokaido, Japan. During our meeting, we discussed the establishment of a sister-school arrangement whereby both schools would send a group of students to the other on an annual basis.

## FROM THE PRINCIPAL CONTINUED

Tanaka Gakuen is a newly established, private international school, owned by a very famous and wealthy Japanese baseball player who found fame in the American League. The school is very prestigious and has an excellent reputation.

The school is affiliated with Ritsumeikan Junior High School whom we have had a long term relationship with.

We are looking to start the visits in 2024, with a group of up to 20 Japanese students who will come to us in February (homestay) for up to one month. A group from MMI (up to 20 students) would then visit Japan in June. Our visit will be shorter - we think two weeks, as our children will not be competent speakers of Japanese.

The group who would travel from MMI would most likely go in June (Blossom time) and be made up of year 8's. This will be a great opportunity to establish further international relations and to offer a group of students the opportunity to travel overseas to a non-English speaking country.

More information will come out in term 2 about costs, the selection process and the dates for travel. An information meeting will be held for all parents interested, with absolutely no obligation. This will be early in term 2.

Congratulations to Matua Tapuraka who competed at Te Matatini this week (photos below). Te Matatini is a national competition for adult Kapa Haka involving the best of the best. We are super proud of Matua and look forward to hearing about his experience when he returns next week.

Have a great weekend whānau

# Whānau 3

A change in environment can challenge us and help us grow.

## Camp Ngatuhua

Last week Whānau 2 & 3 went to camp from Wednesday - Friday

This was a great time to make connections with our peers, teachers and the parents on camp. The change of environment definitely challenged us to grow as individuals, as activity groups and as a class. We faced our fears of heights, the dark, getting to know new people and pushing ourselves outside of our comfort zone.

Also in class we have been learning about our new Coastal Values: Ako, Manaaki, Pono and Tuakiri. We have enjoyed team challenges such as the 'Leaning Tower of Pasta' and sharing information about our identity.

### Abseiling

One of our challenges on camp was abseiling. This challenged those who fear heights.

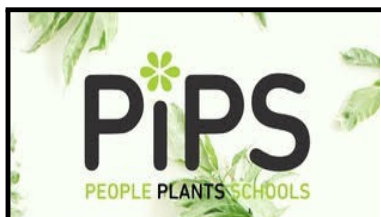

### Team Building

We have been doing lots of team building activities this term.

A change in environment  
Camp helped us to grow, face our fears and smash our goals.

PiPS - our kura gardening club is one of 24 incredible finalists in the Western Bay Community Awards! Previously known as the TECT Community Awards, these awards recognise the dedication of Western Bay of Plenty's philanthropic community. You can support PiPs by voting for them in the People's Choice Award (Sustainable Future Award Section).

Voting is open until March 10th with the winner announced on the night of the awards.

Thank you from the PiPS Team!

## SUPER 11 SWIMMING TRIALS

Dear Swimming Enthusiasts

This form is the opportunity to register your child to trial for the Super 11 swim competition. This competition is for our top swimmers who are able to share their times from their club. This year, we will take into account our school swimming sports times but will also use times that are sent to us, as we have four classes out at camp and we wish to give everyone the opportunity to enter.

If your child is selected they will be a part of the MMI swimming team to compete in the Super 11 intermediate swimming event, held at the Aquatic Centre in Rotorua on Friday 17th of March.

**Registration for trials closes at midday on Friday 24th February.**

There are more details on the google form below, feel free to read prior to registering.

100 metre trials will take place 10am, Monday 27th February at the Mount Maunganui College (MMC) pool as there is not enough time on swimming sports day. This will take approx. 1 ½ hours. We will walk the students up to and back from MMC.

Please complete this google form to register for trials by clicking on the link below: [Super 11 Swimming trials 2023.](#)

Kind regards

# SUPER 11 OPPORTUNITIES

Please note these two sporting activities are held on the same day

## SUPER 11 TENNIS

Dear Parents / Caregivers of tennis players

This is the opportunity to register your child to compete in the Super 11 Tennis competition. This is for our top tennis players, they must belong to a club and have a NZ match hub ranking in singles and doubles. This can be found on the website [tennis.org.nz](http://tennis.org.nz)

The event is on Friday 10th of March at the Whakatane Tennis Club, Goulstone Road Whakatane. We are hoping to take a team of 4 students, with our 2 highest ranked girls and boys. If there is enough talent, we will take two teams. All participants will play in a singles competition, followed by a girls doubles and boys doubles competition.

Please complete the following registration to be eligible for this event: [Super 11 Tennis 2023](#)

## 2KM OPEN WATER SWIM

Dear Parents / Caregivers of distance swimmers

This is the opportunity for your child to express an interest in trialing for MMI's open water swim team. This requires your child to swim 2km in the open water. This event is only for students who have previously completed this distance and is an elite swimming event.

The Super 11 event is held at Lake Rotoma (Rotorua) on Friday 10th March.

Please complete the following registration to be eligible for these trials:  
[Open water 2km swim registration](#)

Dear Parents/Caregivers of our netballers

Thank you for registering your child to be part of netball at MMI this year. We look forward to an uninterrupted season of netball.

We will only run trials for those students who would like to play netball at top level at intermediate. All other students are able to play socially and will not need to trial. We have decided that our trials will begin within the next few weeks in order to get teams ready for the season. This year we are running separate trials for Year 7 and Year 8.

## Dates of trials: (COMPETITIVE ONLY)

### YEAR 8:

- Friday 17 March 3.30pm to 5pm

### YEAR 7:

- Tuesday 21 March: 3.30pm to 5pm

### BOTH GROUPS:

- Thursday 23 March 3.30pm to 5pm

These will be held at the Tauranga Netball Centre, Maunganui Road (Harbourside)

## TRIALS:

All students must wear their PE uniform or appropriate training gear, correct netball shoes and bring a drink bottle. We want to make these trials as fair and relaxed as we can for the students.

We are aware that camps are interfering with some sports trials, and we will take this into consideration. Therefore, students who are at camp are exempt from one trial.

Jodi Todd will be facilitating the trials this year. Jodi has done this for a number of years and has been a New Zealand netball selector. There will also be other selectors at the trials helping Jodi with her decision.

We are looking for an A team and B team for each year level. We aim for students to be placed in a team with other players at their level.

Some students who do not want to trial, can opt to be in a social/development team.

On the google form they will be able to list friends that they wish to be in the same team with, which we will take into consideration for the social/development teams ONLY.

Please check your email and the Mount Maunganui Intermediate Facebook page to check if the trials need to be called off due to weather. We will also let the students know through our daily notices.

On the google form there is a place to indicate whether you are available for either coaching, managing or umpiring. With all sporting organisations, parent and caregiver support is paramount in the success of the sport, whether this is for competitive or non competitive. Teams are unable to be registered if they do not have a coach, manager and umpire.

# MMI NETBALL 2023 CONTINUED

## START DATE:

**Grading Day - Saturday 13th May 2023**

All intermediate teams will begin their 2023 competition on June 20th 2023.

Game times generally are as follows: between 8am and 9:30am on Saturday mornings.

I will send out another email closer to the time with these dates and more information

Further information can be found at their website: <https://tauranganetball.co.nz/>

## COST:

The netball fee this year is \$115 per player and will need to be paid on registration.

We look forward to a successful season with your child.

## MMI SURF TRIALS

Last Friday, while the rest of the school were doing the Tryathlon, 30 dedicated surfers were at Tay Street Beach competing to try and make the 2023 MMI Surf Team. Our surfers met at 8am for a briefing then straight into hotly contested 20 min heats. The first round of heats are non-elimination heats, guaranteeing redemption in the requalifying round, then final progression through to quarterfinals, semifinals and final heats for both boys and girls.

After many hard fought heats the top eight boys - Emerson, Mason, Noah, Ben, Charlie, Henry, Haru and Sol - and top four girls - Ruby, Maia, Ani and Harlow were sorted.

Both finals were very close fought battles with less than half a point separating the winners. Our top surfers and MMI Surf Team for 2023 are as follows:

Sol Fritchley, Haru Marsden, Henry Henderson, Charlie Hartstone, Noah Ramsbottom, Ben Young, Mason Murden, Harlow Horn, Maia Symes, Ani Skiffington, Mila Milfont.

They will be competing with pride at the Super 11 Surf Competition on Friday 3rd March at Tay Street Beach.

I would like to personally thank all the surfers, parents and Mount College judges for making it an excellent day. Also the Bay Boardriders for their continued support with gear and equipment.

## MMI BUS INFORMATION

### NEW ROUTE

In consultation with the Tauranga City Council, we have decided to make the first drop off point for all Mount Maunganui buses the corner of Seaspray Drive and Grenada St.

This decision has been made in response to the heavy traffic around Bayfair and the large number of students using our buses to get to Bayfair.

For more information about these new routes please visit the Bay Bus website - <https://www.baybus.co.nz/tauranga-schools/school-bus-routes-2023/>

### BEHAVIOUR

We continue to monitor the behaviour of students on our buses. Please feel free to contact me via email ([s.banbury@mtint.school.nz](mailto:s.banbury@mtint.school.nz)) if you hear about any concerning behaviour on our buses.

Over the last week we have created a register for each bus and this will come in effect on Monday 6th March. This will enable us to monitor students and also ensure that our buses are not overcrowded.
