Pānui Newsletter 2023

FROM THE PRINCIPAL

22 June 2023

Kia ora Parents and Whānau,

We have had a lovely settled week here at MMI with students focused on completing their Science Inquiry, their assessments and preparing for their conferences.

Acting Principal
Mount Maunganui Intermediate

Parent Conferences

We would like to thank all of the parents who attended conferences on Thursday. There was a very positive feeling on the day and it was great for the teachers to get the opportunity to meet with you all individually. We are pleased to note that 80% of our parents attended this day. If you were unable to attend, please contact your child's teacher and arrange a separate time as we would love to have connected with 100% of our parent community.

Sports Camp

This week, 37 students have had the opportunity to attend Sports Camp where they competed against 8 other schools (340 students all together) in a variety of sports. Our sports coordinator, Nic Logan, has said, "They have consistently demonstrated respect, fair play, and teamwork, embodying the true spirit of sportsmanship". It is awesome to hear that the students are showing our AMPT Coastal Values. We would like to thank; Nic, Harmony and Sam (our Kiwican teachers) and Ben Tweedie (a parent coach) for their input into the preparation for this camp, and their attendance at camp. Without their commitment and mahi, these trips would not be possible.

Showquest and Toi

Over the last two terms, we have had approximately 120 students involved in preparing for Showquest. The students have taken part as; actors, dancers, musicians, backstage crew, or Toi (wearable arts). They finally get to show off their skills next week when they will perform at the Sir Howard Morrison Centre in Rotorua on Monday.

We would like to thank the teachers who have worked with the students at this over the last few months, especially Rhiannon McKenzie, Sally Wylie, Shannon Brown and Ashleen Fahy.

We wish the group the best of luck for their performance on Monday.

Details for parent spectators:

Monday 26th June, 2023 @ 7:00pm

Sir Howard Morrison Centre, 1170 Fenton St, Rotorua

COMING UP NEXT WEEK

Mount College Visit

On Monday we have representatives from Mount College coming to speak to the Year 8 students about opportunities at MMC.

Science Fair

Many of the students have put a lot of time and effort into preparing for the Science Fair. They have worked tirelessly at gathering and analysing data and presenting this on a Science board, ready for the Science Fair. These boards will be on display in the hall on Tuesday and Wednesday next week, and will be judged on Tuesday. If you would like to view these, then you are welcome after 1pm on Tuesday, and any time on Wednesday.

School Photographs

These will be taken on Thursday and students will need to be in their full correct uniform and looking bright and sparky.

One Wave

We are lucky to have a visit from Grant Tebilco who will present at assembly next week. The presentation from the OneWave team is about raising awareness of mental health through saltwater therapy, surfing and fluoro. The students will learn tips and tools for taking care of their mental health and how to support their friends and family. Students are encouraged to wear something fluoro on this day.

We wish you all the best for the weekend and look forward to another positive week next week.

Ngā mihi nui,

Debbie Howell
Acting Principal

AIMS GAMES

AIMS GAMES FEES

Aims Games fees have now been loaded onto students accounts. You will have received a request for payment of the amount of your child's sport.

You are welcome to make instalments if you wish. Please use your child's name as the reference and what you are paying for in the particulars.

All AIMS Games fees must be paid by Friday 4 August.

ATHLETE FACTORY

After an epic programme in Term 2, Athlete Factory are offering this again in Term 3. This term will be geared towards getting ready for AIMS Games, and those competing.

triSASSY at Mount Intermediate

TriathlonTauranga
triathlontauranga.org.nz

triSASSY at Mount Intermediate

triSASSY is designed for 11-13 year old girls (years 7 & 8) who don't participate in sports but want to be active in some way while having fun with their peers and making new friends. The aim of the 16 week programme is to improve self confidence, try new physical activities, and learn skills that will help the girls feel good about themselves as they develop into young women and become part of the wider community.

This programme is run by Triathlon Tauranga with funding through the Lottery Grants Board and is **FREE** for the girls to attend. Part of the programme is to attend a "celebration event" together with other triSASSY groups, their friends & families. Each group will have something to aim for as an outcome of the programme (this isn't compulsory, just fun!).

Research has identified that there is a direct correlation between a lack of physical activity by young girls and them having poorer mental health and lower aspirations than their male counterparts. It also shows that the biggest drop-off in girls participating in sports activities occurs during the transition between primary and high school. Additionally, being active in adolescence is much more likely to lead to an active lifestyle in adulthood. Helping our young females to be active and stay active as they go through adolescence is important for helping them to be healthy and happy, now and in the future.

triSASSY at Mount Intermediate is run on a Tuesday afternoon as soon as school finishes for the day until approx 4:15pm. Our next programme will start on Tuesday 18th July and run through Terms 3 & 4 (during term time only). We start each session with an information "chat" on various topics such as social media safety, self confidence, friendships, goal setting and self care. Then we do a physical activity such as boxing, circuit training, running/walking and other games that promote physical activity, friendship, but most of all FUN!

If this sounds like something your daughter could be interested in, please email trisassy@triathlontauranga.org.nz for more information and an enrollment questionnaire, or call Kathy Miller on 021 0272 0818

VISION TESTING

Year 7 Vision Testing

On Monday 24th July Hauora a Toi Bay of Plenty, Te Whatu Ora Vision Technicians will be visiting our school to carry out routine distance vision screening.

All students in Year 7 are included as part of the National Screening Programme.

If you do not wish to have your child's vision tested, please complete the Opt Off form emailed to you last week and return it to the office. (If you need another form sent to you please contact the office for one).

GRENADA STREET PROJECT

More ways to move on Grenada Street

Tauranga City Council have some changes planned for Grenada Street, to make it safer and easier for people to get around and help kids be safe on the way to and from school.

Amongst other things, the plan includes a two-way, separated cycle path on the south side of Grenada Street and a new shared path through Arataki Park, as well as a signalised crossing on Girven Road between Arataki Park and Bayfair.

Let council know if they've got it right or if they've missed anything. Find out more and take the survey at letstalk.tauranga.govt.nz/grenada
Or come to our drop-in session:

Homestay needed

CAN YOU HOST A STUDENT FOR 4 WEEKS?

We have a few short term
students arriving from
Korea for 4 weeks in Term 3.

If you would like to host,
and have a spare room, we
would appreciate your help.

Please contact:

Renee Thurston
r.thurston@mtint.school.nz
if you are able to help.

*Homestay families are
paid \$290 per week

WOULD YOU LIKE TO HOST A JAPANESE HOMESTAY IN OCTOBER 2023?

This year in February we hosted a group of students from Ritsumeikan JHS. It was a very positive experience and the students loved staying with some lucky families from MMI.

Another group is returning in October this year.

If you are interested in Hosting a homestay student for 2 weeks in Term 3 please fill out the google form.

You will be providing homestay for a single student. You need to be able to provide the student with their own room.

We are delighted to inform you that Mount Maunganui Intermediate will be participating in the world-renowned ICAS competition this year.

What is ICAS?

ICAS is an online academic competition that is designed to assess students' higher order thinking and problem-solving skills in English, Mathematics, Science, Writing, SpellingBee and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition and development. Every student who participates will receive a printed certificate and an online results report. Top performers will be eligible for medals.

We encourage you to consider entering your child into ICAS this year.

Learn more about ICAS here - <https://www.icasassessments.com/products-icas>

How to participate in ICAS

If you wish for your child to participate in ICAS this year, please:

1. Read about ICAS subjects and prices here: ([icasassessments.com/products-icas](https://www.icasassessments.com/products-icas))
2. Read the terms and conditions here: ([icasassessments.com/wp-content/uploads/2022/10/2023-ICAS-Assessments-Parents-PPS-TsCs_final.pdf](https://www.icasassessments.com/wp-content/uploads/2022/10/2023-ICAS-Assessments-Parents-PPS-TsCs_final.pdf))
3. Go to Parent Portal to purchase tests here: shop.icasassessments.com/pages/pps
4. Enter our school's access code – VXY158
5. Enter your child's details, select the tests you would like to purchase, then proceed to payment.

Please note that the ICAS tests shown for selection are at the school's discretion. After payment is made via the Parent Payment System, you will receive an order confirmation email, please keep this for your records.

ICAS Results and Certificates

We will notify you of the date(s) that we run ICAS at the school and when your child's ICAS results are ready. Once we have received your child's ICAS certificate, we will send it home with your child. The back of the certificate shows ICAS results and the login details, "TAP ID and Pin", that you and your child need to enter the Results Portal orti.icasassessments.com/ortiStudent

If you have any questions about the ICAS Assessments please contact Shem Banbury - s.banbury@mtint.school.nz

OUR HAPPY PLACE

We are excited to announce that Mount Maunganui Intermediate has implemented a new program called 'Our Happy Place'. This programme is designed to equip our students with the knowledge, tools and mindset they need to thrive in every area of their lives.

We understand the importance of promoting and protecting Mental Wellbeing among our students and this program allows us to do just that. Our Happy Place is a platform that provides students with the resources they need to live a happy and fulfilling life, both while they are in school and beyond. More details can be found here - <https://yourhappyplace.org.nz/>

Students will be working through different sessions per week, with each session lasting around 10-15 minutes long. We will provide details about these sessions in our newsletter so you can support your child and follow these up at home.

The topics we are currently covering are:

SESSION 23 - THE BEST THINGS IN LIFE ARE FREE

This session is all about the great things in life that are free, like laughter shared with a friend, a wonderful hug or smile, being out in nature, the feeling of accomplishment when you achieve a goal or a good night's sleep!

Students are then encouraged to create their own list of things in their life they are grateful for which money can't buy.

SESSION 24 - POSITIVE AFFIRMATIONS

Session 24 looks at the things we can tell ourselves that are positive. Some examples discussed are, 'I am enough', 'I am a good friend', 'I learn from my mistakes' and 'I am getting better at...!'

Students then think about their own positive affirmations with the idea that our mind believes what you tell it, over and over again. So, by repeating new affirmations often and saying them with as much conviction and feeling as you can, you will convince your mind that they are true and therefore they will start to come true for you.

DOES YOUR CHILD HAVE A WIGGLY TOOTH?

Your child losing their first tooth is a rite of passage and usually happens at around six years of age. The tooth comes loose then falls out, leaving a gap for the adult tooth.

This continues up until age 12, when all the baby teeth have usually fallen out.

It is okay to have your children wiggle and [for you to] wobble their teeth to help them come out. Just make sure you have clean hands and just try and grab it and gently wiggle it. Over a few days to a week or two it will come out.

After your child's tooth falls out, the gum area may be a little tender and sore.

It's still important to keep up tooth brushing and oral hygiene. Follow these five tips for a healthy smile.

- Brush twice a day with a fluoride toothpaste.
- Have regular dental check-ups.
- Lift the lip every month and check your child's teeth and gums.
- Choose healthy snacks.
- Drink water or milk.
