Pānui Newsletter 2023

FROM THE PRINCIPAL

Kia ora Parents and Whānau

We have reached the end of a bustling, productive and enjoyable term at MMI. From the exhilarating cross-country races to our engaging chemical change unit and the achievements of our students at ShowQuest and the Science Fair, it has been a term filled with excitement. We would like to take a moment to recognise and celebrate the tremendous accomplishments of our students. They should be immensely proud of all they have achieved.

Shem Banbury
Acting Principal
Mount Maunganui Intermediate

This week, our school hall transformed into an exhibition space, showcasing the outstanding science and technology projects from our Science Fair. It was inspiring to witness the creativity and thoughtfulness displayed by our students. We extend our congratulations and best wishes to all participants, especially those whose exceptional projects have earned them a place in the upcoming competition in Rotorua.

We would also like to shine a spotlight on the extraordinary talent and creativity of over 100 of our students who represented our school at ShowQuest. Their unwavering dedication, hard work and sheer passion for the performing arts was evident in their outstanding performance, resulting in a well-deserved second place overall and numerous other awards. As a kura, we are immensely proud of their achievements. I would also like to express our gratitude to the staff members who invested their time and expertise in supporting our students' performance.

Another highlight of this week was witnessing several classes embark on their Matariki celebrations. This week has seen numerous hangi at lunchtimes which have been so tasty. Our Matariki celebrations will kick off our term 3 learning, when students return after the break.

This term, we bid farewell to two exceptional teachers. Harmony Cassidy, one of our KiwiCan leaders, will be embarking on an overseas adventure, while Paris Nelson, one of our valued Learning Assistants, has secured a position at Katikati College. We extend our best wishes to both of them and express our gratitude for their contributions to our school community. They will be dearly missed.

Finally, we hope that all our MMI whānau will take some time to relax and recharge during the holiday break. Enjoy precious moments with your family and friends. We eagerly look forward to welcoming our students back on Monday, July 17th.

Ngā mihi nui

triSASSY at Mount Intermediate

triSASSY at Mount Intermediate

triSASSY is designed for 11-13 year old girls (years 7 & 8) who don't participate in sports but want to be active in some way while having fun with their peers and making new friends. The aim of the 16 week programme is to improve self confidence, try new physical activities, and learn skills that will help the girls feel good about themselves as they develop into young women and become part of the wider community.

This programme is run by Triathlon Tauranga with funding through the Lottery Grants Board and is **FREE** for the girls to attend. Part of the programme is to attend a "celebration event" together with other triSASSY groups, their friends & families. Each group will have something to aim for as an outcome of the programme (this isn't compulsory, just fun!).

Research has identified that there is a direct correlation between a lack of physical activity by young girls and them having poorer mental health and lower aspirations than their male counterparts. It also shows that the biggest drop-off in girls participating in sports activities occurs during the transition between primary and high school. Additionally, being active in adolescence is much more likely to lead to an active lifestyle in adulthood. Helping our young females to be active and stay active as they go through adolescence is important for helping them to be healthy and happy, now and in the future.

triSASSY at Mount Intermediate is run on a Tuesday afternoon as soon as school finishes for the day until approx 4:15pm. Our next programme will start on Tuesday 18th July and run through Terms 3 & 4 (during term time only). We start each session with an information "chat" on various topics such as social media safety, self confidence, friendships, goal setting and self care. Then we do a physical activity such as boxing, circuit training, running/walking and other games that promote physical activity, friendship, but most of all FUN!

If this sounds like something your daughter could be interested in, please email trisassy@triathlonauranga.org.nz for more information and an enrollment questionnaire, or call Kathy Miller on 021 0272 0818

Mount Maunganui Intermediate Gardening - Term 2

Although the weather hasn't always been on our side this term, we have made the most of it, getting some garden focused jobs done. It has been a good time to focus on composting, pest control and attracting beneficial insects to our gardens by building bug hotels.

Our gardeners have enjoyed digging for 'treasure' and wrapped up bundles of kūmara to take home to share with their families. We have planted butternut squash and lots of cauliflower and broccoli, and are hoping to win 'the war on slugs' by setting slug traps every week and coming up with new ways of keeping the pests at bay. Some keen gardeners have experimented with using foil, copper and salt, to see which was most effective, copper tape on offcuts of PVC pipe was the clear winner. Wool mulch mats upcycled from old wool blankets seem to be working well too!

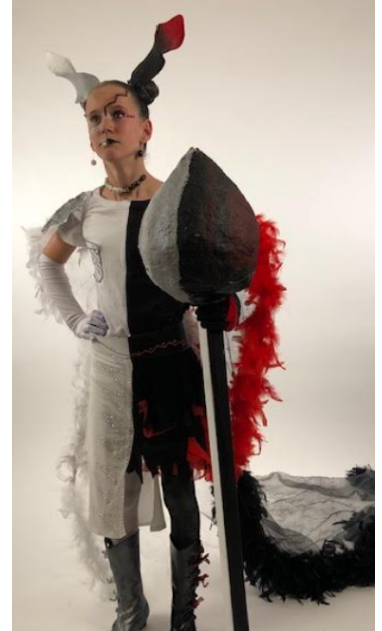

Our worm farm is super productive now, and we are feeding our veggies regularly as well as keeping our constant supply of seedlings going in the shadehouse.

Josh, the park ranger from Mauao, has popped in to visit and check on our seedlings to see when they will be ready to return to the maunga. We are looking at organising a trip to plant them out next term.

WORLD OF WEARABLE ARTS - WOW

This is a wearable art competition for student designers run in collaboration with our friends at World of WearableArt, held at Sir Howard Morrison Centre on 26 June. We are super proud of all our students and so excited we won the Regional 'Star of the Night' with our garment entry 'Candylicious' created by Lily Goodspeed, Nakita Faulkner and Zoe Kidd.

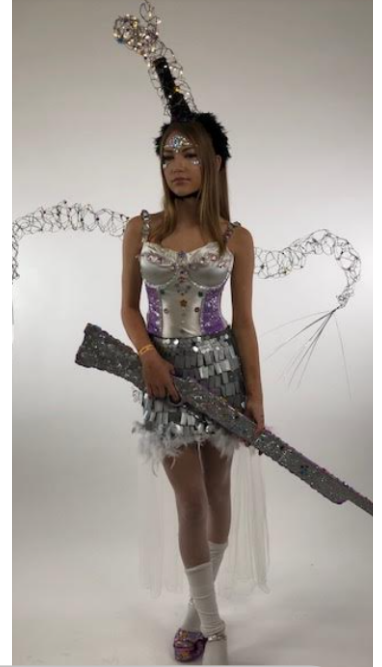

We also received 6 other awards:
Innovative Use of Materials- 'Drowning in the Blues'-modelled and designed by Bahlee Ellis.

WORLD OF WEARABLE ARTS - WOW

Excellent Garment Construction x 2- 'Patupaiarehe' by Ella Cooper, Marija Sole, Charlie May Deane and 'Aubergine' by Lily Acker, Lara Wright and Kyla Wills.

Outstanding Stage Presence x 2 – 'Space Jam' by Annie Kaire and 'Bloom' by Zoe Jones and Mae Stockman.

Exceptional Storytelling- 'Board Game Mania' by Kella Bidois and Kimberlee Rahui.

This is an amazing opportunity and example of true creativity and talent. A few students worked primarily on these garments at home and the others completed the final construction of the garment and accessories this term at school.

SHOWQUEST

SHOWQUEST is one of Aotearoa's biggest performing arts competition and this year over 5000 students participated nationwide.

Showquest is an original stage-based mini Broadway that follows the elements of Art, Music, Dance, Drama, Culture & Technology. Students design, produce and perform stories in a powerful performance of celebration and recognition from their community. Performances are centred around an issue chosen by what's important to students.

This year Mount Maunganui Intermediate took 96 students to compete in ShowQuest, the students decided on a theme following our school vision which is; poipoia te kakaano kia puawai and this means, nurture the seed and it will blossom.

Our story follows a young girl who journey's from childhood to adulthood in the 21st century and all that she faces through trials, triumphs and tik tok. Students always feel as though they need to act as chameleons and seamlessly blend into the environments they find themselves in, but Ko Wai Koe? Who Will You Be?

This story speaks to being yourself and enjoying the journey, not only waiting for the destination. Ko Wai Koe? and it's 96 performers including a live band, backstage crew, dancers and actors placed 2nd overall in the Bay of Plenty junior division this year.

A huge accomplishment in a stacked division this year. ShowQuest continues to be an enriched and unmatched opportunity for our young students to feel empowered as performers and artists.

Over the second half of the term we have covered the sub-topics,
Responsibility & Reliability.

When it came to **Reliability** we remained focused on the learning objective:
“To be a reliable person in a group setting.” As we are often working in groups, small or large, it is important for us to think about how we can rely on one another, work together as one, and do so as fairly as possible.

“To be responsible for our actions & the things we say” became our learning objective when our focus turned to **Responsibility.**

Once we were able to think, discuss and apply this into our kiwi can lessons, we added an extra sentence to our objective, therefore making it **“To be responsible for our actions & words, and how they may make others feel.”** An example of the students having to think before they act was during one of the activities, Telephone. We aimed to show the importance of being mindful with our communication and how easily words can change when they have been passed through multiple people. How our words can impact others if it is personal or hurtful, or even when it is unintentional, we should consider how words can change how others feel. Along with Telephone; Red Rover, 6 Second tag, Hot seat and the Popsicle activity were all favourites during the second half of the term.

During week 9, we were fortunate enough to join sports coordinator, Nicola Logan and 37 students at Sports Camp. We had an incredible time and were stoked to see the kids using our kiwi can songs to cheer the team on and also showcasing all the values that we learn.

Lastly, week 10 marks the final week that Harmony will be doing kiwi can at MMI. It has been a privilege working alongside our great kaiako and ngā ākonga. I feel lucky to have been one of the few who get to see every class and learn the names of each student throughout the school. I'd like to thank MMI for an amazing 4 years! Ngā mihi nui te Kura Takawaenga o Mauao, ka kite ano koutou. Hei te tau tītoki.

Last chance to order hoodies for 2023. There has been an order form sent to all caregivers, this needs to be completed by the end of term so that hoodie will be available at the beginning of Term 3. NB This is the last time for orders prior to AIMS Games.

All school tracksuits
Please return these to the sports office with your name.

CONGRATULATIONS!

You have been very fortunate to receive a 'blue' from Mt Maunganui Intermediate.

This means that you have achieved well in a school related activity or represented our school.

This 'blue' is to be sewn onto your MMI polar fleece **on the top left hand sleeve**. If you are fortunate enough to receive more than one, then they are sewn underneath each other. If you have any questions please see your teacher.

We are very proud of you for achieving this!

WOULD YOU LIKE TO HOST A JAPANESE HOMESTAY IN OCTOBER 2023?

This year in February we hosted a group of students from Ritsumeikan JHS. It was a very positive experience and the students loved staying with some lucky families from MMI.

Another group is returning in October this year.

If you are interested in Hosting a homestay student for 2 weeks in Term 3 please fill out the google form.

You will be providing homestay for a single student. You need to be able to provide the student with their own room.

We are delighted to inform you that Mount Maunganui Intermediate will be participating in the world-renowned ICAS competition this year.

What is ICAS?

ICAS is an online academic competition that is designed to assess students' higher order thinking and problem-solving skills in English, Mathematics, Science, Writing, SpellingBee and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition and development. Every student who participates will receive a printed certificate and an online results report. Top performers will be eligible for medals.

We encourage you to consider entering your child into ICAS this year.

Learn more about ICAS here - <https://www.icasassessments.com/products-icas>

How to participate in ICAS

If you wish for your child to participate in ICAS this year, please:

1. Read about ICAS subjects and prices here: [icasassessments.com/products-icas](https://www.icasassessments.com/products-icas)
2. Read the terms and conditions here: [icasassessments.com/wp-content/uploads/2022/10/2023-ICAS-Assessments-Parents-PPS-TsCs_final.pdf](https://www.icasassessments.com/wp-content/uploads/2022/10/2023-ICAS-Assessments-Parents-PPS-TsCs_final.pdf)
3. Go to Parent Portal to purchase tests here: shop.icasassessments.com/pages/pps
4. Enter our school's access code – VXY158
5. Enter your child's details, select the tests you would like to purchase, then proceed to payment.

Please note that the ICAS tests shown for selection are at the school's discretion. After payment is made via the Parent Payment System, you will receive an order confirmation email, please keep this for your records.

ICAS Results and Certificates

We will notify you of the date(s) that we run ICAS at the school and when your child's ICAS results are ready. Once we have received your child's ICAS certificate, we will send it home with your child. The back of the certificate shows ICAS results and the login details, "TAP ID and Pin", that you and your child need to enter the Results Portal orti.icasassessments.com/ortiStudent

If you have any questions about the ICAS Assessments please contact Shem Banbury - s.banbury@mtint.school.nz

OUR HAPPY PLACE

We are excited to announce that Mount Maunganui Intermediate has implemented a new program called 'Our Happy Place'. This programme is designed to equip our students with the knowledge, tools and mindset they need to thrive in every area of their lives.

We understand the importance of promoting and protecting Mental Wellbeing among our students and this program allows us to do just that. Our Happy Place is a platform that provides students with the resources they need to live a happy and fulfilling life, both while they are in school and beyond. More details can be found here - <https://yourhappyplace.org.nz/>

Students will be working through different sessions per week, with each session lasting around 10-15 minutes long. We will provide details about these sessions in our newsletter so you can support your child and follow these up at home.

The topics we are currently covering are:

SESSION 23 - THE BEST THINGS IN LIFE ARE FREE

This session is all about the great things in life that are free, like laughter shared with a friend, a wonderful hug or smile, being out in nature, the feeling of accomplishment when you achieve a goal or a good night's sleep!

Students are then encouraged to create their own list of things in their life they are grateful for which money can't buy.

SESSION 24 - POSITIVE AFFIRMATIONS

Session 24 looks at the things we can tell ourselves that are positive. Some examples discussed are, 'I am enough', 'I am a good friend', 'I learn from my mistakes' and 'I am getting better at...!'

Students then think about their own positive affirmations with the idea that our mind believes what you tell it, over and over again. So, by repeating new affirmations often and saying them with as much conviction and feeling as you can, you will convince your mind that they are true and therefore they will start to come true for you.

The graphic features a cartoon dog with pink eyes and a red nose, peeking over a stack of five books (purple, green, black, orange, and blue). To the right, there is a small shopping cart filled with colorful pens, pencils, and a ruler, next to a brown paper bag and a small cardboard box. The background is a dark chalkboard with the event details written in yellow. A small circular logo in the top left corner says 'Dogs Are Us' with a dog silhouette.

DOES YOUR CHILD HAVE A WIGGLY TOOTH?

Your child losing their first tooth is a rite of passage and usually happens at around six years of age. The tooth comes loose then falls out, leaving a gap for the adult tooth.

This continues up until age 12, when all the baby teeth have usually fallen out.

It is okay to have your children wiggle and [for you to] wobble their teeth to help them come out. Just make sure you have clean hands and just try and grab it and gently wiggle it. Over a few days to a week or two it will come out.

After your child's tooth falls out, the gum area may be a little tender and sore.

It's still important to keep up tooth brushing and oral hygiene. Follow these five tips for a healthy smile.

- Brush twice a day with a fluoride toothpaste.
- Have regular dental check-ups.
- Lift the lip every month and check your child's teeth and gums.
- Choose healthy snacks.
- Drink water or milk.
