FROM THE PRINCIPAL

Kia ora parents and whānau

We would like to send our sincere thanks and appreciation to our Mount Maunganui Community. We have continued to be overwhelmed with support for Jorja-Ray and her family, and we would like to thank all those who have donated kai or given us a koha to pass on to the whānau. We will ensure this gets to them in the next week.

Melissa Nelson
Principal

Enrolment

All year 8 students should be starting the process of enrolling in a College for next year. Students will be asked by their teacher which College or High School they have enrolled at. Please [click here](#) for enrolment information for Mount College.

In the last two weeks we have started our enrolment and transition process with our contributing schools. The Deputy Principals and some of our year 7 students have visited the Primary Schools and talked to the year 6 students who will be coming here next year. We also had an open day yesterday where they were able to go on a tour of our school, get to know their way around and see the school in action. Next week we will have an open evening for our year 6 whānau to attend so that they can hear about the great things our kura has to offer them. It has been fabulous meeting all of our future Mount students and we look forward to welcoming them next year.

ICAS Testing

This week Mr Banbury ran the ICAS tests for all interested students. It was great to see the number of students who were keen to participate in; maths, english, writing, a spelling bee, science and digital technology. We look forward to getting these results later in the year.

Academies

Our Academies are underway with 86 students involved in these and another 116 in Specialist Enrichment. These will run throughout the term, but will have a break during week 8 (2nd-8th September) for the AIMS Games. Thanks to the teachers who have offered to run these workshops.

The Academies this term are as follows:

- Human Anatomy - Run by Claire Simonsen
- Bay Maths - Run by Lisa Wallace
- Journalism - Run by Shem Banbury
- Literacy - Run by Felicity Shackelford
- Future Problem Solving - Run by Wendy Tuck

AIMS Games

We currently have 259 students (38% of our school) who have signed up for AIMS. It is so awesome to see so many of them get involved in this fabulous event. We would like to thank Nic Logan and our office staff, for ensuring this is so well organised and for putting systems in place to help ensure that this runs smoothly. Please check this website for any information you would like in regards to the [AIMS Games](#).

Vaping

Unfortunately, there have been a couple of cases of a few students vaping at school. We would like to assure you that we take this very seriously and consequences are put in place for those students who are participating. We are trying to educate our tamariki on the dangers of vaping, but would appreciate it if you could talk to your children about the harm that vaping can do. We would also like you to have a conversation with them about peer pressure.

Thanks for all of your support, we hope you have a great weekend.

Ngā mihi nui

MMI students show aroha, respect and mana

PONO

MMI students act with integrity, pride and honesty

TUAKIRI

MMI students know their identity

COASTAL VALUE CERTIFICATES 2023 Term 3 – Week 4

1	Nevaeh Nielsen	For challenging yourself to record your learning to a level that reflects the depth in which you think. He whetū koe!
2	Charly Cave	For showing Ako, driving her own learning especially in literacy when writing her speech. Kau mau te wehi!
3	Nikolas Willetts	For demonstrating Manaaki (respect) and Pono (honesty) this week, doing the right thing and showing a good attitude towards his learning.
5	Mason Batchelor	For improved classroom work and attention to detail. Keep up the great work ethic, Mason!
6	Amber Patterson	For showing your AMPT values when helping classmates with their maths by sharing your strategies and valuable time. He whetū koe!
7	Alakris Coleman	For displaying all the Coastal Values, Ako, Manaaki, Pono and Tuakiri at all times! You are a super role model in whānau 7. Ka mau te wehi!
8	Sam Shivan	For being an absolute maths legend - I love the way you are persevering with really challenging maths problems!
9	Trager Allers	For persevering when things get tough and helping others when they are stuck.
10	Levi Beeston	For working consistently and diligently on all your learning whilst also have sharing all your fantastic ideas during class discussions.
11	Lochlan Moore	For always being engaged in your learning and asking questions and asking for support when needed. Kei te whakahihī au ki a koe!
13	Harper Shallard	For always giving every new challenge 100%. I love your perseverance to keep going until you find the answer or complete a task. Ka Rawe!
14	Lockie Forsyth	For much improved positivity, self management, involvement, and overall learning. Keep it going.
15	Harper Paton	For your increased confidence and valuable contributions to class discussion, and insight during class novel study. Kei te whakahihī au ki a koe! I am very proud of you! 🍷

COASTAL VALUE CERTIFICATES 2023 Term 3 – Week 4

16	Augi Robertson	For your commitment and efforts towards Dance here at MMI. You go above and beyond to manage yourself, great job Augi, keep it up!
17	Chardae Bryant	For a great start to Term 3. Ka pai to mahi, Chardae Keep up the positive attitude!
18	Hunter Pearson	For taking responsibility for your learning and making great progress in maths. Ka mau te wehi
19	Miles O'Neill	For demonstrating Manaaki - Respect and Pono- Integrity in your role as a leader within the classroom and school. Keep it up!
20	Princess Buenviaje	For working hard and striving to improve in your learning. Well done Princess!
21	Dima Bykov	For consistently demonstrating responsibility and initiative in your role as ICT monitor. You are a great help in our class Dima.
23	Daisy Werahiko	I tūrangatira koe i runga i te ātāmira o te papatūwaewae. Inā te rerehua o tō tū e hine.
24	Reb'l Kino-Bennett	For demonstrating manaaki and positive leadership attributes. Thank you for your awhi, Reb'l. You are a positive role model for others!
25	Kimberley Dobbie	For being a friendly, helpful, and welcoming member of Whanau 25.
Digi Tech	Josefa Kreft Room 8	For showing persistence and being an active participant in Digital Technology. Great work Josefa!
Food Tech	Ella Martin Room 6	For being a self-motivated student who diligently tackles tasks in a calm manner. Thank you for being an exceptional role model Ella !
Dance & Drama	Raphael Kaiwai - Whānau 23	For demonstrating effective collaboration and positive leadership in your tuakiri trailer deviation. You are a fantastic captain, who shows manaaki, ako and tuakiri in every aspect of your learning in dance and drama. Kei runga noa atu koe, Raphael!
Visual Arts	Princess Buenviaje Room 20	For a conscientious, focussed attitude, and an excellent observational drawing of an insect.
Music	Corban Ngaheu - Whanau 13	Mā te kimi ka kite, Mā te kite ka mōhio, Mā te mōhio ka mārama. Seek and discover. Discover and know. Know and become enlightened. For demonstrating resilience and determination in ensuring you are able to play the rhythms patterns you composed. When you are able to match your practical skills with your understanding of rhythm knowledge, you will never lose it. Kai pai!
Hard Materials	Danielle Apperly Room 16	For focussed consistent effort and self motivation.

Classroom News

This Week In Rūma 1

We are inquiring into the qualities of a great leader. We are learning that leaders need a range of skills and traits in order to lead effectively. We are relating what we are learning to the leaders in our lives.

We are conducting a novel study into 'Animal Farm' to allow us to transfer our understandings to a different context.

We are continuing our inquiry into proportional reasoning in mathematics and focussing on our oral language development through growing our debating skills.

Our case study was the Parihaka protest in 1881. We inquired into different perspectives and made news reports. We are looking into Aotearoa protests in history. We are learning that people protest to gain equality and/or improve their lives in some way.

Taking Action!

• Takitimu House

We have started a food and toiletries drive to support the homeless in Tauranga.

Our Student Council are now leading this- let's support them by bringing in what we can:

- soap (bar)
- razors
- toothbrush
- toothpaste
- canned food
- cereal

KIWI CAN

This week KiwiCan are unpacking the subtopic of understanding emotions.

From the energiser to the learning content, there are several moments in our lessons where we identify what emotions look like in ourselves and in others.

FROM THE SENIOR LEADERSHIP TEAM

School Attendance

Making sure your child attends school regularly is crucial. Attending school every day is a key factor for children to achieve success in their education. As parents and caregivers, you play a vital role in ensuring your child goes to school consistently, from their very first day of school until they turn 16. Both schools and parents share the legal responsibility of ensuring students attend school.

Why Attendance Matters?

Every opportunity to learn and engage in school is important for children and young people. Attending school not only sets our youth up for success in life but is also required by law. If your child is under 16 years old, they must attend school every day, unless they are sick. When children or young people miss school regularly, it becomes challenging for them to maintain connections with school friends and teachers, and it becomes harder for them to catch up on missed work.

What do we do?

At Mount Maunganui Intermediate, we take attendance seriously and have specific responsibilities to ensure student attendance.

Our school's responsibilities include:

- Having an attendance policy
- Communicating attendance rules to students and families
- Following up on absences
- Recording and monitoring attendance data
- Working to enhance attendance.

Attendance includes being on time for school and classes, as well as providing information about how unexplained absences will be addressed. Improving attendance might involve collaborating with families to support students in returning to school.

FROM THE SENIOR LEADERSHIP TEAM

Our Attendance Policy

For more details, you can access our full attendance policy [[link here](#)]. Here are the login details:

Username: 1837

Password: 21Lodge

Students are expected to attend school as required and be on time for classes. We monitor daily attendance to ensure student safety in reaching school and accounting for them during emergencies. This also helps us identify students who might need additional support due to achievement, engagement, or other issues, aligning with our legal obligations.

Parents and guardians also have legal responsibilities regarding their child's attendance. We expect parents to:

- Notify the school of their child's absence by 9.15 am.

Please use one of the following to report an absentee.

- TEXT ONLY – 027 232 0446
- EMAIL – absentees@mtint.school.nz
- PHONE – 07 575 5512 option 1
- EDGE MOBILE APP – download the Edge mobile app from your iphone APP store or android PLAY store.

Try to schedule appointments outside of school hours or during holidays.

Talk with the school to manage any attendance challenges.

School hoodies

All size 12 and 14 hoodies have arrived and have been distributed. Our supplier has notified us that all adult sizing should be here by 18th August.

Thank you all for your patience.

All sports tracksuits and issued sports uniforms that are no longer in use please return ASAP so we can re issue for AIMS games.

Due to a technical hitch last week, we missed some names off the Super 11 Winter rugby tournament. Apologies for this and we have re-posted the article this week.

Winter Tournament Rugby - Blake Park July 2023

Congratulations to the students who participated in the recent tournament. Our talented athletes displayed exceptional teamwork, determination and sportsmanship, making us all beam with pride.

Under the guidance of our dedicated coaches and the unwavering support of their fellow teammates, the rugby players worked together as a cohesive unit, showcasing their skills on the field. Throughout the tournament, they demonstrated that unity and cooperation are the pillars upon which success is built.

The team's commitment, and determination to improve were evident in every game they played.

As a school, we take immense pride in the way our rugby team represents us. Their exemplary behaviour both on and off the field makes them role models for all our students.

Here are some of the positives from the day:

- ★ The conduct from players and supports remained positive throughout the day. It was a very positive vibe.
- ★ The standard of rugby has grown substantially. We were blown away with this, as were spectators I spoke with.
- ★ In 2020 this tournament had only 8 boys teams. There were 9 boys and 9 girls teams and all were very competitive. Well done for your work over the years developing rugby at your schools.
- ★ All teams got 4 games minimum and though there were a few errors made by organisers, the kids went away happy having done their best.
- ★ Minimal injuries: This may be a sign of students having a greater awareness of how to look after their bodies.

AIMS GAMES - UPDATE

Thank you to those who have already paid their AIMS entry fees

AIMS waiver and medical form - to be completed by 11th August (today)

All MMI students have an opening ceremony ticket included in their entry fee. This is for the 3pm opening ceremony, doors open at 2pm

All students need to make their own arrangements for transport to and from the venue - Mercury Baypark Arena
81 Truman Lane, Mount Maunganui

Please contact sports@mtint.school.nz if you have any issues with completing the waiver & medical forms.

Families are welcome to purchase an opening ceremony ticket by going on this website - Opening Ceremony Tickets.

These tickets go on sale on Monday 7 August at 7pm

Uniform - Students may be given a tracksuit closer to the event (depending on the code).

If they are then this needs to be worn to the opening ceremony.

If not and they have a winter MMI green hoodie then they can wear this and if they do not have either then they need to wear their school uniform

More information to follow!

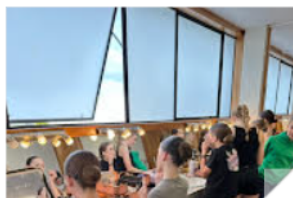

ARTS

DANCE NZ MADE

On Sunday 30th and Monday 31st July, 12 MMI students attended the Dance NZ Made Regionals in Tauranga to compete and participate in various workshops from industry professionals.

The X troupe which involves 8 of these students placed first in the Year 7/8 Team Division with their Contemporary Dance. Lilly Akagi and Amelia Joynt placed third in the Year 7/8 Duo Division. Milla Cudby placed second in the Year 7/8 Solo Division, Milla was also awarded the highly coveted Golden Ticket, a stand out award for individual dancers who impressed choreographers and judges over the two days of competition.

Congratulations to all of our amazing students! The X troupe have a busy few weekends ahead of them with DEC Winter Competition on August 12th & 13th and Create the Bay Dance Competition on August 19th & 20th. Good Luck girls!

SCHOOL NOTICES

RELATIONSHIP & SEXUALITY EDUCATION (RSE)

Dear Parents and Whanau,

This term students are participating in Relationship and Sexuality Education (RSE) within their classroom. RSE is a key area of learning in Health and Physical Education in the New Zealand Curriculum and **must be included in teaching programmes**. RSE at Mount Maunganui Intermediate emphasises the holistic nature of sexuality education (which has physical, social, mental and emotional, and spiritual aspects).

In terms two and three, we will focus on 'Growing and changing'- Te tipu me te huri o te tangata'.

This theme focuses on pubertal change, a time of rapid physical, emotional, social, and spiritual development. Many of the changes that take place at this time are interrelated.

Young people can feel unsure about the changes that they will encounter during puberty. It is important to address these feelings, reassure them that they are not alone, and prepare them with the knowledge and capabilities they need to manage these changes. Comprehensive relationship and sexuality education helps young people feel good about themselves and understand that puberty is a natural stage in their journey towards adulthood. At Mount Intermediate, we believe that equipping young people with knowledge and understanding in this area is pivotal to their health and wellbeing.

In term three, we have planned to cover the following:

Pubertal change

Learning outcome

- Students will review and identify the changes that take place during puberty and recognise that most of them happen to everybody.

Underlying concept

- Hauora: identifying changes that occur at puberty and that the changes impact all dimensions of hauora

Managing pubertal change

Learning outcomes

- explore how people experience pubertal change and identify and discuss practical ways of managing changes and feelings.
- explore concepts about body image and how to foster positive body image.

Underlying concepts

- Hauora: understanding and managing pubertal changes which impact all dimensions of hauora.
- Health promotion: identifying the strategies and resources, including people, that can help young people manage pubertal change.
- Attitudes and values: valuing themselves and developing positive body image.

RELATIONSHIP & SEXUALITY EDUCATION (RSE)

Getting to know our reproductive systems

Learning outcome

- Students will explore the human reproductive system, its functions, and be comfortable using correct terminology.

Underlying concepts

- Attitudes and values: as students learn to understand and talk about the reproductive system, they also learn to treat themselves and others with respect.
- Hauora: gaining further knowledge about the physical body, its growth and development, and the part it plays in reproduction.

Consent

Learning outcome

- Explore the concept of intimacy and the behaviours that may feel right at different levels of intimacy
- Explore concepts about consent and identify what giving and receiving consent looks like.

Underlying concept

- knowledge of rights and responsibilities
- knowledge of the need to give and receive consent and to make informed choices
- assertive communication.

Conception

Learning outcome

- Students will identify and describe the sequence leading to Conception.

Underlying concept

- Hauora: developing knowledge about the process of conception.

Safer sex

Learning outcome

- Students will explore contraception and its use in preventing pregnancy and sexually transmissible infections (STIs).

Underlying concepts

- Attitudes and values: developing a responsible attitude to their wellbeing and that of others.
- Health promotion: developing knowledge to support them to implement safer sex strategies to positively support their sexual health.

If you have any questions, feel free to contact your child's teacher.

Below is the Ministry of Education curriculum outline for teaching 'Relationships and Sexuality Education' at Intermediate Schools.

RELATIONSHIP & SEXUALITY EDUCATION (RSE)

Key learning at level 4

LEVEL 4	KO AU — ALL ABOUT ME Knowledge, understandings, and skills relating to physical and sexual health and development: emotional, mental, social, spiritual, and environmental	KO AKU HOA — FRIENDSHIPS AND RELATIONSHIPS WITH OTHERS Understandings and skills to enhance relationships, for example, in relation to friendships, intimate relationships, love, families, and parenting	KO TŌKU AO — ME AND THE WORLD Critical inquiry, reflection, and social-action skills related to issues of equity, gender, body image, risk, and safety
Ākonga can show that they:	<ul style="list-style-type: none"> • Know about pubertal change (including hormonal changes, menstruation, body development, and the development of gender identities), and about how pubertal change relates to social norms around gender and sexuality; and can make plans to support their own wellbeing and that of others. • Understand various differing approaches to conception and contraception and how these relate to social norms, choice, consent, and wellbeing. 	<ul style="list-style-type: none"> • Are able to manage intimate relationships (involving attraction, love, and desire) and relationship changes (including changes to relationships online and using social media), through: <ul style="list-style-type: none"> ◦ knowledge of rights and responsibilities ◦ knowledge of the need to give and receive consent and to make informed choices ◦ assertive communication. 	<ul style="list-style-type: none"> • Understand how school and community contexts (eg, school procedures and rules, sports and physical activities, and community facilities and environments) link with people's gender and sexual identities; and can take action for inclusion. • Know how to access help for themselves and others, know about a range of strategies and resources that support health and wellbeing, and understand how these can enhance wellbeing, mitigate risk, and support gender and sexual identity. • Are able to identify connections between people's wellbeing and media representations of relationships, gender, and bodies (including representations in social media, in films, and on television).

LUNCHONLINE - TICKET PURCHASING

FASTER, EASIER WAY OF PURCHASING TICKETS FOR EVENTS AT MMI

We are moving to a new platform to purchase tickets for events like discos and socials.

Lunchonline is not only a lunch ordering service but they also provide a ticketing service which we, as a school, have signed up for.

With our PSG Disco fast approaching we will be using this service for the first time.

To purchase a disco ticket you will need to have already created your own lunchonline account. If you are already an account holder, well done, you do not need to do anything else until the tickets are available to purchase.

If you are not an account holder yet please follow these 4 easy steps:

- Go to - <https://www.lunchonline.co.nz/>
- Create an account
- Add member(s) including name, school and classroom
- Top up with your credit card or internet banking

When the tickets become available to purchase we will let you know and you can then simply go online and make your purchase.

This means that payments will no longer be accepted by the school for certain events, but we will always advise you of the payment process in advance.

SCHOOL NOTICES

WOULD YOU LIKE TO HOST A **JAPANESE HOMESTAY** IN OCTOBER 2023?

We have a group of students from Japan who require homestay.

The dates are October 18th to 1st November.

The students will be attending Mount Intermediate for the duration of their stay.

If you are able to help. Please fill in the google form.

Got Questions? email r.thurston@mtint.school.nz

You will be providing homestay for a single student. You need to be able to provide the student with their own room.

Homestay families are paid a nightly fee to cover the costs of hosting.

If you are able to host, please [click this link](#) to add your details.

The artwork is due back - **Tuesday 23 August**
We will send out more details on how you can
order your child's artwork, closer to this date.

GENERAL NOTICES

NZ POLICE - EXERCISE

On Wednesday 16th August, the Tauranga Police will be using our school grounds as a location for a training exercise. The exercise will start at 5.30pm and continue until approximately 7.30pm. There will be many police cars and vehicles on site. If you live near school, you may hear gunshots, sirens and loud voices during the exercise.

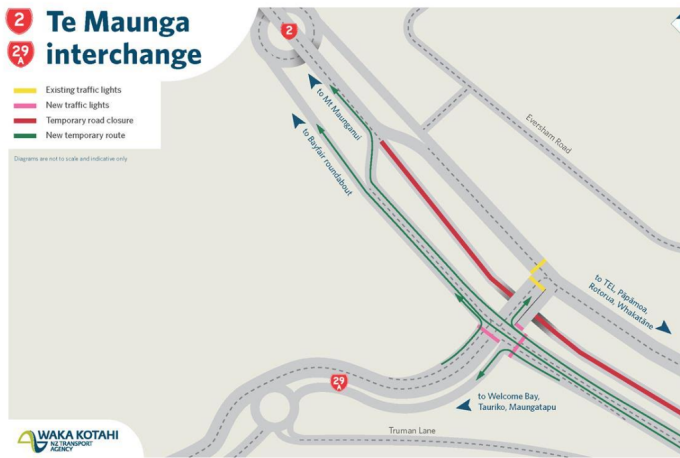

Immediate neighbours will be notified via a mail drop so that the presence of Police is not alarming. We will also communicate this via our school facebook page on the day, to remind our neighbourhood about what is happening.

The Police are happy for any interested parties to watch the exercise from behind a barrier and will also be seeking some volunteers to help them with their scenarios.

We will remind you all about this closer to the time.

WAKA KOTAHI - BAYPARK TO BAYFAIR LINK

Closing the gap at SH2/ 29A Te Maunga interchange, Baypark

Te Maunga interchange, at the State Highway 2 and 29A intersection at Baypark, is scheduled to fully open to traffic next week. The interchange has been operating without its fourth ramp since its partial opening in 2022. The remaining ramp is scheduled to open in mid-August and will temporarily take all traffic from SH2/TEL/Papamoa over the newly signalised interchange. This change will enable SH2 at ground level, underneath the interchange, to be completed.

The traffic switch, including opening the ramp, the commissioning of new traffic lights on Te Maunga interchange and the closure of SH2 northbound underneath the interchange, is scheduled to take place from **Sunday 13 August to Wednesday 16 August** and will mean changes for people travelling on SH2 from Papamoa and SH29A from Maungatapu.

COMMUNITY NOTICES

DOES YOUR CHILD HAVE A WIGGLY TOOTH?

Your child losing their first tooth is a rite of passage and usually happens at around six years of age. The tooth comes loose then falls out, leaving a gap for the adult tooth.

This continues up until age 12, when all the baby teeth have usually fallen out.

It is okay to have your children wiggle and [for you to] wobble their teeth to help them come out. Just make sure you have clean hands and just try and grab it and gently wiggle it. Over a few days to a week or two it will come out.

After your child's tooth falls out, the gum area may be a little tender and sore.

It's still important to keep up tooth brushing and oral hygiene. Follow these five tips for a healthy smile.

- Brush twice a day with a fluoride toothpaste.
- Have regular dental check-ups.
- Lift the lip every month and check your child's teeth and gums.
- Choose healthy snacks.
- Drink water or milk.

Let's talk:

A conversation with Commissioners, hosted by Scott Campbell.

Tauranga is the fastest-growing city in New Zealand, but with growth come challenges. You are invited to join a conversation with Commissioners - to talk about the big issues that matter to you and your aspirations for Tauranga.

21 August	22 August	28 August	29 August	04 September
The Mayor, Councillor	Mayor Scott Campbell	Commissioner Scott Campbell	Commissioner Scott Campbell	Commissioner Scott Campbell

Scan the QR code or visit: tauranga.govt.nz/commissioners

Time: 6pm to 7.30pm - tea and coffee will be available.
