7 Days to go!

There are just 7 days until the 2023 AIMS Games.

This year's AIMS Games promise a week filled with thrilling matches, unforgettable moments, and the chance to forge new friendships.

Our students have been training hard, and their determination is about to shine as they participate in a wide array of sports.

As the excitement builds, let's get behind our athletes, showing them our support and cheering them on every step of the way. The journey to the AIMS Games has been a collaborative effort, and we can't wait to see our students shine on this remarkable stage.

FROM THE PRINCIPAL

Dear Parents and Whanau

It's been another busy and productive week at MMI.

The new classrooms are taking shape. The deck- almost 50m in length, is nearly finished and the pergolas will be put in place next week. We are still on track to move into the new rooms for the start of next term- which students and teachers are looking forward to.

We have begun painting the school, which will be an ongoing process over the next term and school holidays. We are happy that the new colour scheme will modernise the school and freshen up the outdoor environment. Sam, from KiwiCan is about to work on a new mural for the block wall outside the admin block. Some of our students have designed the mural and will work with Sam to paint it in the coming weeks. Watch this space!

Melissa Nelson

There is only one week until the AIMS Games kick off for 2023. There is a real buzz amongst students and staff as this awesome event gets nearer. All students participating will come together on Sunday 3 September for the Opening Ceremony. Several of our school musicians will entertain the masses at the Arena- which will be an amazing experience for them. Its going to be a great week. Those remaining at school will also enjoy AIMS week, with normal class programmes being paused and some collaborative and creative opportunities being planned by our staff.

Thank you for supporting us by ensuring that your child wears the correct uniform to school each day. A gentle reminder that students can wear ONE necklace, ONE bracelet and ONE ring. No dangly or large hoop earrings are permitted. Socks are to be plain back, as are all school shoes. We appreciate your support with ensuring that our uniform is worn correctly so that we can minimise challenging conversations with students here at school.

Have a lovely weekend everyone.

KIWI CAN

This is our last week covering the subtopic of Kare ā-roto (understanding emotions).

This week we are identifying uncontrollable emotions, what this looks like and some healthy ways we can deal with them. There are already some amazing answers across MMI classrooms for controlling our uncontrollable emotions. These answers are well needed when our energizer is 6-second tag! An outside energizer that requires humility, honesty and strategy!

Breakfast club is always alive and well on Wednesday mornings! Thank you to Noah and Gus for your manaakitanga - always helping serve our customers their milo's in the morning. Look at how creative they get! Ka mau te wehi!

FROM THE SENIOR LEADERSHIP TEAM

We are excited to introduce a convenient and user-friendly solution for purchasing tickets to school events – LunchOnline! Starting this term, all ticket purchases for school events will be streamlined through the LunchOnline platform.

TERM 1

Super 11 - Surfing

This year we invite your best surfers to compete in teams, in this annual Championship Surf Competition.

A team consists of four surfers (NB: at least one girl must be in the team). The surfing competition is based on points (tag team) acquired by four surfers over a 20-30 minute heat.

Each surfer scores with two waves (they have approximately five-seven minutes each) then runs back to the beach to tag their teammates.

This is not a 'give it a go' competition so we would expect that all competitors are confident in the surf.

SUPER 11 BASKETBALL

On Monday, July 31st, the MMI AIMS Boys and Girls Basketball teams competed at the Super 11 tournament in Rotorua. The early morning start meant the teams were awake and ready to start games at 8am.

Both teams played really well and represented MMI with pride.

Our girls team did not place but it was a great tournament to prepare. They developed some great team work skills and are getting used to the new blended team (A & B teams) for AIMS.

The boys convincingly won all pool match games to come up against Tauranga Intermediate School Mambas in the finals. It was a hard fought game but unfortunately the Mambas won. Everyone was so proud of the boys and how they never gave up!

Thank you to the coaches, managers and parents that came along and supported our teams on the day!

Girls team: Asha Matthews, Azareah Solomon, Neve Walker, Alby Moorehead, Acacia Campbell, Aaria Berridge, Chloe Ah-Sin, Kimberlee Rahui, Autumn Taumoelau, Zari Poulton, Indi Ropati, Mārika-Ahere Te Whata

Boys team: Zen Lawrence, Alex Hood, Raniera Tiopira-Horne, Alakris Coleman, Tamarua Ferguson, Lucian Farrelly, Jacob Ngatai, Jai Downie, Ariki Jacob, Hikairo Moorehead

INTERMEDIATE WORLD CUP BASKETBALL

On Thursday the 27th of July the MMI Grizzlies and AIMS Girls teams competed at the TCBA World Cup Basketball tournament at Mercury Baypark Arena. The boys were playing as Greece and the girls were Ireland. Both teams turned up with great attitudes and showed our AMPT values with pride!

The boys came 2nd having some amazing wins through the day but just falling short to Tauranga Intermediate School in the finals. The girls finished up 3rd with some great wins and a couple of close losses. Both teams should be really proud of their game play and teamwork!

Extra congratulations to Mārika-Ahere Te Whata and Levi Catley who were chosen as the Best and Fairest players from their teams by opposing team coaches and managers.

Girls team: Mārika-Ahere Te Whata, Nishay Brown-King, Kimberlee Rahui, Indi Ropati, Lilly Hood, Zari Poulton, Azareah Solomon, Aaria Berridge, Alby Moorehead

Boys team: Ziggy Mouldley, Olly Jones, Cameron Piermarini, Sam Shivan, Luca Gray, Lukas Bryant, Levi Catley, Noah Breed, Noah Francisco

RIPPA RUGBY

The MMI AIMS Rippa team competed at a Pre- AIMS tournament in Whakatane on Tuesday 22 August.

It was a great day organised by EBOP Rugby with 11 teams competing across the region in 2 different pools. For us it was finally a chance to play as a team against real opposition, and to work on a few things before AIMS.

After 5 closely fought games with only 20 minute turn arounds between games MMI were top of Pool B - whoop whoop!

Unfortunately exhaustion and the day finally caught up with us during the finals and we ended up losing in golden point overtime to end up 4th. However, the team we beat to top our pool won the tournament so we'll take that. The players were excellent, demonstrating amazing sportsmanship and camaraderie, being humble in victory and gracious in defeat, and most importantly having FUN!

We can't wait to rip into AIMS week ... though if I was this exhausted after one day - what am I going to be like after a week of AIMS?

Mr Weis - the exhausted, but happy teacher in charge of AIMS Rippa.

SURFING

Epic Waves With Mates

Four of our MMI surf team competed in the New Zealand School Surf Champs held at Raglan on August 8 and 9.

Sol Fritchley, Noah Ramsbottom, Charlie Hartstone and Mason Murden - the youngest of any of the competitors - scored epic waves for the competition and with getting to surf with only three others out in NZ's premier surf break, the boys were already winning.

Regarded as the top scholastic surf competition, surfers compete as individuals and their combined results go towards the team event. All boys surfed well, but the unpredictable nature of the ocean and waves meant Sol was the only surfer to advance through to the Under 14 Boys final.

Sol is the U14 Boys defending champ from 2022. After what can only be described as a hotly contested final, with all surfers producing outstanding waves, Sol graciously had to accept 2nd place by the smallest of margins - less than one point. However, if you are going to have to come second, who better to do it to than one of your best mates - Lennox - who is also a local Mount grom.

In the team event, the boys overall performances resulted in MMI coming 7th place out of all the schools. Our highest result, which is pretty darn good since we are competing against College aged surfers.

Our boys did us proud, as always, and have gained valuable experience competing against the best of the best in NZ.

Mr Weis - Teacher in Charge of MMI Surfing.

CHESS

On Thursday 17th August. 21 teams from 11 schools competed in the Bay of Plenty Intermediate Interschools Chess Championship held at the Greerton Community Hall in Tauranga.

We had 12 students competing. Team A ranked 9th overall and several of our players ranked in the top 10 on their boards.

For most of the players this was their first chess tournament and we have strong year 7 players going forward to next year.
Congratulations team!

Team 1: Reid Forster, Ari Ross, Vitek Spinka, Rufus Farrar

Team 2: Hikairo Moorehead, Prabhas Bokka, Dylan Johns, Owen Townsend

Team 3: Ezekiel Phillips, Finn Kayser, Mason Tulloch, Elijah Pene

Reid Forster ranked 3rd, Dylan Johns 6th, Vitek Spinka 6th, Hikairo Moorehead 7th, Ari Ross 9th and Owen Townsend 9th.

TE PUKE GYMSPORTS SCHOOL FESTIVAL 2023

A super day at the Te Puke GymSports Schools Festival.

All the girls performed amazingly in preparation for AIMS week. There was Gold for Paige Ramshaw and 4th Place for Ella Eason in the Artistic Twisters section, along with Silver for Zoe Kidd in Open Junior Advanced section.

I am super proud of the team for their exemplary behaviour and encouragement for all competitors involved.

Not long until AIMS, can't wait!

There were incredible performances from: Ella Eason, Zoe Kidd, Amelia Joynt, Madison Morrow, Paige Ramshaw.

SCIENCE FAIR

Judges from Scipad had the difficult job of selecting 10 Science boards from 126 fantastic entries in our School Science Fair this year.

On Thursday 17th August, the 10 students selected competed in the NIWA Bay of Plenty Science & Technology Fair in Rotorua. Autumn Parchomchuck, Ellie Renwick, Lucy Ranger, Amelia Joynt, Neve Walker, Belle Ririnui, Adam Payne, Sam Stockman, Niko Sowter and Matt Ferris.

It was a great day and the students learnt a lot. There was an amazing variety of inspirational Science and Technology Boards and Amelia Joynt and Matt Ferris both received awards.

SCHOOL MAGAZINE/YEAR BOOK

This year at MMI our students have been given a golden opportunity to showcase their skills by creating a school magazine/yearbook. The magazine will include 72 pages of amazing content including class pages, sports, student achievements and everything else we've experienced over the year.

At this stage we are unsure about the final cost. However, we estimate it will cost no more than \$23.00 and will be delivered in early December.

Below is the order form for the 2023 MMI school magazine/yearbook. If you would like a copy please complete the form before the 1st September 2023.

COMMUNITY NOTICES

DOES YOUR CHILD HAVE A WIGGLY TOOTH?

Your child losing their first tooth is a rite of passage and usually happens at around six years of age. The tooth comes loose then falls out, leaving a gap for the adult tooth.

This continues up until age 12, when all the baby teeth have usually fallen out.

It is okay to have your children wiggle and (for you to) wobble their teeth to help them come out. Just make sure you have clean hands and just try and grab it and gently wiggle it. Over a few days to a week or two it will come out.

After your child's tooth falls out, the gum area may be a little tender and sore.

It's still important to keep up tooth brushing and oral hygiene. Follow these five tips for a healthy smile.

- Brush twice a day with a fluoride toothpaste.
- Have regular dental check-ups.
- Lift the lip every month and check your child's teeth and gums.
- Choose healthy snacks.
- Drink water or milk.
