KIA MAUAO TE TŪ

## FROM THE PRINCIPAL

Kia ora Parents and Whanau

Week 8 is done and dusted. What stunning winter weather we are having- it certainly makes a difference being able to enjoy our grounds at break times.

Our lock down practice was very successful on Wednesday. Students and staff followed our procedures well. We have lock down drills twice per year so that we are well prepared if we need to lock down for legitimate reasons.

Image: Melissa Nelson, Principal,  
Mount Maunganui Intermediate

Requests for AIMS Games fees went out this week. Mrs Logan and Karen (in the office) have done a phenomenal amount of administration work to get this all underway for all our athletes. Part payments are an option if need be. Don't hesitate to contact our wonderful office team if you need help with payments. In 2024, surfing and orienteering will be new codes to the AIMS Tournament. Surfing will, in particular, be an exciting option for our MMI surfing enthusiasts.

Good luck to our Sports Camp contingent who are headed away next week. We look forward to hearing how you get on.

A reminder to make sure you book a slot for learning conferences in week 10. The information you need to book is further on in this newsletter. We would like all families to join us for a chat about their child's learning and to work with us to construct goals for the next two terms.

Have a great weekend everyone.

## **Mount Maunganui Intermediate Sports Awards**

Mount Maunganui Intermediate is revamping its Sports Awards system.

Each year we have two main sports awards in our final Prize Giving. Firstly, we have Sportsperson of the Year which has the following categories - Year 7 Boy, Year 7 Girl, Year 8 Boy, and Year 8 Girl.

This year when we collect information in term 4 we will be basing these awards on students' performances in our school sports: Swimming, Cross Country, and Athletics. We believe this change will provide a fair platform for recognizing the incredible talents and efforts of our students. Additionally, students' participation in school sport teams, Super 11 teams and AIMS Games will also be considered for these awards.

The second award which is the Farrell Family Award and is given to the most outstanding sport result in or out of school. This achievement could be a regional, national, or International sporting success. The winner of this will be determined by a committee with students nominating their single best achievement.

# AIMS GAMES

## AIMS GAMES FEES

## OUR HAPPY PLACE

We are excited to announce that Mount Maunganui Intermediate has implemented a new program called 'Our Happy Place'. This programme is designed to equip our students with the knowledge, tools and mindset they need to thrive in every area of their lives.

We understand the importance of promoting and protecting Mental Wellbeing among our students and this program allows us to do just that. Our Happy Place is a platform that provides students with the resources they need to live a happy and fulfilling life, both while they are in school and beyond. More details can be found here - <https://yourhappyplace.org.nz/>

Students will be working through different sessions per week, with each session lasting around 10-15 minutes long. We will provide details about these sessions in our newsletter so you can support your child and follow these up at home.

The topics we are currently covering are:

### SESSION 23 - THE BEST THINGS IN LIFE ARE FREE

This session is all about the great things in life that are free, like laughter shared with a friend, a wonderful hug or smile, being out in nature, the feeling of accomplishment when you achieve a goal or a good night's sleep!

Students are then encouraged to create their own list of things in their life they are grateful for which money can't buy.

### SESSION 24 - POSITIVE AFFIRMATIONS

Session 24 looks at the things we can tell ourselves that are positive. Some examples discussed are, 'I am enough', 'I am a good friend', 'I learn from my mistakes' and 'I am getting better at...!'

Students then think about their own positive affirmations with the idea that our mind believes what you tell it, over and over again. So, by repeating new affirmations often and saying them with as much conviction and feeling as you can, you will convince your mind that they are true and therefore they will start to come true for you.

### DOES YOUR CHILD HAVE A WIGGLY TOOTH?

Your child losing their first tooth is a rite of passage and usually happens at around six years of age. The tooth comes loose then falls out, leaving a gap for the adult tooth.

This continues up until age 12, when all the baby teeth have usually fallen out.

It is okay to have your children wiggle and [for you to] wobble their teeth to help them come out. Just make sure you have clean hands and just try and grab it and gently wiggle it. Over a few days to a week or two it will come out.

After your child's tooth falls out, the gum area may be a little tender and sore.

It's still important to keep up tooth brushing and oral hygiene. Follow these five tips for a healthy smile.

- Brush twice a day with a fluoride toothpaste.
- Have regular dental check-ups.
- Lift the lip every month and check your child's teeth and gums.
- Choose healthy snacks.
- Drink water or milk.
