AIMS Games is here!

It's game on for Tauranga with the 2023 Zespri AIMS Games taking place in the city from this Saturday 2 September to Friday 8 September!

Tauranga is looking forward to welcoming over 24,000 athletes and supporters to the city to take part in the games and enjoy the beautiful city.

The city's roads will be busier than usual, so please take extra care and allow plenty of time to travel during this period as there may be some delays.

FROM THE PRINCIPAL

Dear Parents and Whanau

Next week is AIMS Games Week- which is one of our most memorable weeks of the year for many students. With over 12,000 athletes and their supporters arriving in Tauranga this week, our place will feel a whole lot busier.

A reminder to all athletes and supporters that you are representing us next week. Please show our school values of Ako, Manaaki, Pono and Tuakiri at all times. Play hard and play fair. Thank the ref. Listen to your coaches and thank the adults who are making this week happen for you all. Most of all; learn lots, get better at your sport and HAVE FUN.

Parents: Please prepare for all weather conditions for next week and ensure that your athletes arrive at their sports venues with warm clothing layers and rain jackets. The weather forecast isn't looking great, so please be well organised in this regard.

When you are out and about this week, you can help us to win \$1,000 of sports gear and other great prizes! Find the Zespri tent at Gordon Spratt Reserve or Blake Park (far side of the Rugby Field) from 4-8 September, and complete activities to win points for our school.

The school with the most points Friday 8 September at 3pm will win a \$1,000 sports gear voucher. A second randomly selected school will win a \$500 sports gear voucher. You can check out the leaderboard on the Zespri AIMS Games app.

Good luck to every person involved in the Games. I hope you have an epic week.

Music

As some of you will have seen on Facebook, Joel Shadbolt was in school this week, working with our school bands.

What a difference two days can make with two music gurus! Matua Shan worked with Joel to really develop and grow our bands - and the improvement over the two days was super significant for all of our MMI musicians.

Huge thanks to Joel for his time at his old school. How cool is it for our young musicians to work with someone like Joel and to see that if you're passionate and hard working, you can make a successful career out of music. I can't wait to see our bands perform before the Opening Ceremony on Sunday. Playing to a large audience at Bay Park will be an amazing experience in itself.

All students remaining at school will also have an awesome week. Teachers have lots of fun learning activities planned and those remaining at school will have much more room to spread out and enjoy.

Have a great weekend everyone.
Up the Wahs and
Up the MMI Green Machine 😊

Whaea Melissa

Kiwican	Henri Finn Whanau 25	You have a friendly disposition, and encourage your classmates well. You offer great ideas and always bounce back no matter the circumstances. Tino pai Henri! Keep it up!

KIWI CAN

We have started our new sub-topic of self control/self discipline - Kia tau te wairua!

Through playing 2 ball soccer (or football for those out there who prefer it) and our 4-bubble activity (emotions, thoughts, actions & consequences), we talked about what self control/ self discipline looks like, what it does not look like and why having self control/self discipline is important. Looking forward to nailing it down over the next two weeks.

This week we had some very special visitors. Two members of the National Rugby 7's team, Kelcy and Tysha, as well as our KiwiCan Regional Manager, Dan Allen joined us on Wednesday for the first block. Whānau 19 & 9, tu meke! You were awesome! They joined in on our KiwiCan sessions, and were kind enough to give out their autographs to students during morning tea before they left.

They will be playing in Fiji in a couple weeks time, so make sure you keep an ear out for it and support them!

Our mural at MMI is starting off well with students prepping their spaces to begin painting. It already looks amazing and we are stoked with the progress!

FROM THE SENIOR LEADERSHIP TEAM

TEACHER ONLY DAY: MONDAY 18 SEPTEMBER 2023

Monday 18 September, 2023 will be a teacher only day for Tauranga Moana Schools including our school. This is the second Ministry of Education Curriculum Refresh Day for 2023.

The teacher only day will involve over 1560 early childhood, primary, intermediate, secondary school teachers and board of trustee members gathering at Mercury BayPark for the launch of the Te Tai Whanake ki Tauranga Moana Te Ao Māori local curriculum.

This development of a curriculum through the collaboration of Tauranga Moana Iwi, 67 schools, kura, all ECE's and kohanga reo is a huge achievement. The purpose of the meeting at Mercury BayPark is to share the content and structure of this local curriculum and instruct the gathered teachers / Kaiako on how to use it.

This project has generated huge interest among our Iwi, Hapū and whānau who have been partners in the development of this taonga for future generations of students, teachers and the wider Tauranga Moana community.

We thank you for your support of this teacher only day and look forward to sharing this taonga with your family and whanau as part of our school curriculum.

INQUIRY - LEADERSHIP

This term we have been inquiring into leadership. We have all individually researched and presented a 3 - 5 minute speech about a particular leader we considered a 'strong leader'. We identified the characteristics our leaders exhibited and the lessons that could be learned from them.

Not only that, but we have looked at different styles of leadership. Our novel study has been 'Animal Farm' by George Orwell. This has helped us to see the different styles in action and the consequences / effects of the different leadership styles.

OTHER HIGHLIGHTS

Other things we have been doing this term:

- Found out about China from our exchange student Fiona.
- Social Dancing
- Te Reo Maori - creating our own games to teach the class
- Touch Rugby
- Maths - Fractions, decimals, percentages & ratios.
- Trip to Te Puia - Wk 10

AIMS

Get Ready for the AIMS Games: A Week of Excitement and Sportsmanship! 🏆

We're thrilled to announce that the highly anticipated AIMS Games are just around the corner, set to kick off next week! This annual extravaganza of youth sports is a true celebration of athleticism, teamwork, and camaraderie, and we couldn't be more excited about being involved in this incredible event.

The AIMS Games, short for "Association of Intermediate and Middle Schools," is a sporting event like no other. It brings together young athletes from across the region, providing them with a platform to showcase their talents and passion for sports.

But the AIMS Games aren't just about the competition. They embody the spirit of sportsmanship, respect, and unity. The event encourages participants to not only strive for victory but also to make new friends, learn from their experiences, and embrace the values of fair play.

As we countdown to the opening day, let's prepare ourselves for a week filled with thrilling moments, heartwarming stories, and unforgettable memories.

Whether you're a participant, a proud parent, a dedicated coach, or a passionate supporter, the AIMS Games is an event that unites us all in our love for sports.

Here is the link to the information for students that was shared at our AIMS assembly this week. <https://mtint.school.nz/aims-games-student-information/>

Stay tuned for updates and let's make this AIMS Games the best one yet!

TERM 4 Sport Registrations - have now closed

Registrations for Volleyball, Rip Rugby and Touch teams have officially closed, and we're happy to announce that teams have been formed for each category.

Allocating players to teams has been an intricate task, akin to fitting together the pieces of a complex puzzle. While we have done our best to consider preferences and player dynamics, our goal was to create balanced, competitive and enjoyable teams for all participants.

However, with a diverse range of skill levels, playing styles and schedules, achieving a perfect match for everyone was indeed a formidable challenge. We understand that some students may not have ended up on the team you had hoped for and for that, we sincerely apologise.

Remember, while being on a particular team might not have been your child's initial preference, this can be a fantastic opportunity to connect with new teammates, learn different strategies and foster a sense of camaraderie across the code.

Regardless of which team, we're confident that this season will be one filled with exhilarating matches, personal growth and unforgettable moments.

Let's gear up for an action-packed term of sportsmanship, competition and fun!

BADMINTON

A number of our MMI Badminton team recently attended a WBOP Intermediate Competition at QEYC.

It was great preparation for AIMS. The boys represented our school well with some really positive play.

The team came away with a number of wins with the Mount Titans going on to place third in the Third Division Competition.

Thank you so much to the parents who supported on the day.

PAYMENTS AND CREDITS

Remember you can go on to the parent portal to check the balance of your child's account - the instructions are all on this page - <https://mtint.school.nz/parent-portal/>

It can be a good idea to check before you make a payment as you may have a credit sitting there which can pay for your child's sport/activity. If you want to use the credit against that sport/activity you definitely need to email the office at - admin@mtint.school.nz, so we can allocate the funds correctly.

Towards the end of the year we will come out to you, if you are a year 8 family with a credit and ask you what you would like done with the funds. You can choose to transfer it to a sibling who is coming next year, have it refunded or donate it to our equity fund which helps families in need with lunches, breakfast club and uniform. Year 7 students with credits will simply roll over to next year.

Thank you to all those families who have paid their accounts, sports fees and activities!

Thank you also to those who have donated to our equity fund. It really does help!

SCHOOL MAGAZINE/YEAR BOOK

This year at MMI our students have been given a golden opportunity to showcase their skills by creating a school magazine/yearbook. The magazine will include 72 pages of amazing content including class pages, sports, student achievements and everything else we've experienced over the year.

At this stage we are unsure about the final cost. However, we estimate it will cost no more than \$23.00 and will be delivered in early December.

Below is the order form for the 2023 MMI school magazine/yearbook. If you would like a copy please complete the form before the 1st September 2023.

COMMUNITY NOTICES

DOES YOUR CHILD HAVE A WIGGLY TOOTH?

Your child losing their first tooth is a rite of passage and usually happens at around six years of age. The tooth comes loose then falls out, leaving a gap for the adult tooth.

This continues up until age 12, when all the baby teeth have usually fallen out.

It is okay to have your children wiggle and (for you to) wobble their teeth to help them come out. Just make sure you have clean hands and just try and grab it and gently wiggle it. Over a few days to a week or two it will come out.

After your child's tooth falls out, the gum area may be a little tender and sore.

It's still important to keep up tooth brushing and oral hygiene. Follow these five tips for a healthy smile.

- Brush twice a day with a fluoride toothpaste.
- Have regular dental check-ups.
- Lift the lip every month and check your child's teeth and gums.
- Choose healthy snacks.
- Drink water or milk.
