On Fridays I am teaching a writing academy in the first block.

What a great group of talented writers I am working with.

In our first session we wrote about an activity that evokes strong feelings in us and this was a good way for us all to get to know each other a little better.

The piece below was quick-write and has not been edited.

I love the imagery and the language choices! What talent we have here at MMI 😊

## FROM THE PRINCIPAL

Tena koutou katoa

What a great week at MMI.

There have been many highlights for me this week:

On Fridays I am teaching a writing academy in the first block.  
What a great group of talented writers I am working with.

In our first session we wrote about an activity that evokes strong feelings in us and this was a good way for us all to get to know each other a little better.

The piece below was quick-write and has not been edited. I love the imagery and the language choices! What talent we have here at MMI 😊

### Reading

The options are endless. Every one filled with different ideas, stories and plots.

When the pages flip, more and more gets unfolded and it's like the words turn into pictures that dance around the pages.

Some you may love, some you may hate.

The long journey is all consuming- once you start you get sucked into the whirlpool of words.

Adventures in other worlds, mysteries waiting to be solved and endless other plots from the depths of another's mind at the tip of your fingers.

Today, we were learning to use rich language to set the scene for our audience and the task was to write about a murder scene.

It's early days but these great writers have a good handle on tools like simile and personification to really paint a picture in the mind of the reader.

Earlier in the week, I took our Japanese visitors out to my hometown (Katikati) to let them experience a kiwi orchard and farm.

Our visitors patted a chicken and a fully grown pet sheep, visited some alpacas, petted the big dogs and got to ride a horse.

**POIPOIA TE KĀKANO KIA PUĀWAI**

Nurture the seed and it will blossom

**KIA MAUAO TE TŪ**

They loved zooming around the farm on the gator and thought it was a huge novelty to be sitting in the tray on the back with no seats or seat belts!

We collected avocados from the orchard and made guacamole as a pre lunch snack.

Our visitors were surprised when we casually picked some lemons off a tree - they thought lemons just came from the shop.

It was lovely to see them enjoying the animals and climbing trees.

The things that kiwi kids take for granted have been awesome new experiences for our visitors.

After lunch today, we held an International "test" match of Rippa rugby on our field.

The MMI All Blacks vs the Ritsumiekan Cherry Blossoms.

We had the obligatory Haka, national anthems and a vocal and enthusiastic crowd.

Our visitors picked up the rules and skills required for Rippa remarkably quickly and did a sterling job against a much more experienced side.

Mr Weis did a theatrical and fair piece of refereeing - lets hope Wayne Barnes does equally a good job on Sunday.

Have a great weekend everyone. GO THE ABs!!

Whaea Melissa

# Baymaths 2023

Last week, on the evening of Wednesday 18 October, 174 students from across the Bay of Plenty, Hamilton and Taupo took part in the Baymaths competition at Otumoetai College. Usually a yearly event, this competition has been on hold over the recent covid years, so it was super exciting to have the event take place again.

Mount Maunganui Intermediate sent two year seven and two year eight teams to the competition. The two year seven teams' members were Rufus Farrar, Theo Ingham, Dominic McQueen (Team 7A), Nika Pozdniakova, Cruze Sidney and Josie Carlborg (Team 7B). The two year eight teams' members were Belle Ririnui, Niko Sowter, Sam Shivan (Team 8A), Sam Cameron, Sam Ewing and Matt Ferris (Team 8B).

The competition was made up of three rounds - one individual round where students were to answer ten questions in ten minutes, one team challenge round where teams had to answer 20 questions in 20 minutes and one timed round where teams received points based on how quickly they answered the question.

Niko Sowter was awarded a third place medal for his score in the individual questions round.

Out of 23 year seven teams, Team 7A placed 13th and Team 7B placed 10th overall.

Out of 35 year eight teams, Team 8A placed 8th and Team 8B placed 11th overall.

A huge congratulations to all of the participants for their amazing problem solving skills during intense competition pressure!

## KIWI CAN

Hello everyone,

This week in Kiwi Can we have been continuing to cover this term's topic of respect. More specifically we have been going over the importance of respecting other cultures.

In the lesson we played ship came into the harbour carrying greetings in different languages. In groups the kids took turns saying a greeting in a language that hadn't been said by a previous group. We kept going around until all the groups were out of greetings.

The idea behind this activity was to acknowledge that there are many different ways to do the same thing i.e. saying hello. And though we might not understand the traditions that some other cultures have, it is important to treat all cultures with respect.

## FITNATION 24 HOUR FITNESS FUNDRAISER

FitNation are running a 24 hour Fitness Fundraiser on Sat 28th October in association with the Graeme Dingle Foundation to raise funds for local youth mental health. The idea is that the funds raised will filter back to our local community through schools, mentoring, counselling.

This event promises to be an unforgettable experience, filled with various activities and opportunities to support a cause close to our hearts.

There will be a Halloween Dance party on Saturday night with great DJ's banging out hits to keep you partying through the early hours.

Contact us if you would like more information or to register - [info@fitnationgym.co.nz](mailto:info@fitnationgym.co.nz).

There is only space for 25 teams so don't delay! Sounds like a fun event!

### Details:

**Teams of 5 - Register your team today  
\$150 per team**

All proceeds go towards raising money and awareness for the Graham Dingle Foundation which supports Teen Mental Health.

Teams must have a minimum of one team member onsite during the 24-hour event.

All Team Members must complete a series of challenges, classes and games during the event.

There will be food trucks and extra amenities to support participants.

There will be DJ's, games, spot prizes and the Ultimate Athlete Obstacle Course to complete too.

FitNation will be open for members and non-members.

There will be loads of great prizes to be won, including a team 6-month membership at FitNation.

# MMI SPORTS

## 2023 MMI Sports Awards

These google forms have been sent to all families for nominations.

Deliberation is presently taking place over the MMI Sporting Awards 2023.

There are two types of awards available, each has a separate google form to complete for nominations.

**1. Outstanding Achievement in Sport** – this is awarded to the students who have performed highly in sport and made outstanding contributions to school sport (ie: only at MMI e.g. not Surf Life Saving).

**There are four awards**, over the whole school, decided by a designated committee.

Year 8 Boy, Year 8 Girl, Year 7 Boy, Year 7 Girl.

**2. Farrell Family Award** - awarded to a student who has successfully performed to a very high standard, at a National or International level, in a single sport.

This award does not need to be a school sport.

**There is one award**, over the whole school, decided by a designated committee.

## TCC Safety Upgrade - Parton/Tara Road

Please ensure you allow extra time to get to your games from next week! This will affect travel to Gordon Spratt Reserve.

We'd like to draw your attention to a Tauranga City Council safety upgrade, scheduled to start next week at the Parton/Tara Road roundabout. With club members / community members who travel through the area or use the area for activities, we'd like to let you know what's planned and provide you with some information.

Safety Improvements at Tara/Parton Road roundabout.

As many locals confirm, there are existing issues around speeding traffic and school pupils crossing the road at Tara Road roundabout. We also know that residents of the Papamoa Beach Village can struggle to cross the road safely, an experience shared by the early learning centres in the area. These issues will get worse with further residential development in the area as well as a growing commercial/retail offering. This means we need to take action before a serious accident occurs.

To boost safety for people walking or cycling and school children in the area, Tauranga City Council will be constructing new crossings for pedestrians and cyclists at all four roads entering the roundabout. An image of the design for the crossings is below for reference.

Construction is set to start 25 October and conclude prior to Christmas 2023. During this time, traffic will be reduced to one lane and pedestrian access may be diverted (and signposted).
