## FROM THE PRINCIPAL

Tena koutou katoa

It is crazy to think that we have already completed the first 4 weeks of this term and have hit March.

The term is flying by, the school is feeling very settled, with the year 7 students finding their feet and making friends from other contributing schools.

The playground is full of activity, students are involved with playing touch, football, volleyball, handball, basketball and then there are the class competitions that run each lunchtime.

This week saw the first of our school camps for 2024.

Our camps this year include three days of cultural, historic and physical activities around our beautiful region.

Classes will get to spend a day at Whareroa Marae, another at Pilot Bay, and then a morning at Adrenalin Forest.

We also have a trip planned for each class to go to the Elms Mission house and learn about local history of Tauranga.

The feedback from our students from the first of these activities has been fantastic.

### **Tryathon**

Last Tuesday saw our students complete the MMI Tryathlon which was the first of our school wide sports events.

It was exciting to see all our students dressed up in their house colours, attempting to earn as many points as they could for their team.

Thanks to the parents and whānau that came to support our students. The coffee cart proved to be a popular addition and will be something we will be doing in some of our future events.

### **Student Council**

Our student council has started to meet and discuss some of the issues that our students feel passionate about.

Melissa Nelson

**POIPOIA TE KĀKANO KIA PUĀWAI**

Nurture the seed and it will blossom

**KIA MAUAO TE TŪ**

To start the year our Student Council is meeting as a Leadership Academy and learning about the different facets of leadership.

Our council is being lead by our 4 head students: Knox Meade, Mākere Cowie-Beaufort, Tua Talagi-Meti, and Neve Walker.

This year we also have student leaders responsible for certain aspects of the school and it will be exciting to see how this develops in 2024. These leaders are below:

Academic Leader: Rufus Farrar, Arts Leader: Paige Ramshaw, Sport Leader: Ani Skiffington, International Leader: Eunice Kim and Cultural Leader: Reb'l-Flower Kino-Bennett

### **Policy Review**

All of Mount Maunganui Intermediate's Policies can be found on School Docs (<https://mtint.schooldocs.co.nz>) via our website.

Please follow the instructions on our policies and procedures page to view this documentation.

In Term 1 we are reviewing topics in the Governance and Management, Parents and Whānau, and Documentation and Self-Review sections.

If you would like to provide feedback on these policies please follow the links on our website and use the credentials below:

***Username - mtint***

***Password - respect***

### **Teacher Professional Development**

This week, the staff at MMI began their journey with further improving their use, and knowledge, of Te Reo Māori. It has been great to hear the staff and students using the lessons and practising their reo with each other.

### **Swimming Sports**

Next week (on Wednesday) we have our swimming sports which are held at the Mount College pool.

We again look forward to the camaraderie that the students show towards their teams.

These events are part of our school programme, so we ask that all students come to school on this day and get involved in the fun.

Have a great weekend,  
Ngā mihi nui,  
Shem Banbury

# SENIOR LEADERSHIP TEAM (SLT)

## BUSES

The start of the year is always a busy time for students that catch the bus to and from Mount Maunganui Intermediate.

This year we bought in a tag system to help spread our students across the four buses that travel towards Papamoa.

Thanks to parents and students that has supported this. The system is running much better and we are not having the large numbers (70 or 80 kids) on our buses anymore.

We have had a number of requests for students to switch buses for a variety of reasons. At this stage this is not possible. We are working with the council to determine the load on our buses and moving students between buses won't help this process.

If students want to travel home together they will be instructed to use the public bus.

This leaves 5 minutes after our school buses and covers the same route. This bus is less busy than our school buses and is free. However, students need to use a Bee Card and tag on and off.

## MMI COASTAL VALUES

# KIWI CAN

Already at week 4 and we are having the best time in Kiwi Can!

Whakawhanaungatanga (positive relationships) is our topic for the term.

As we look at kia tika (fairness and fair play), negotiating to come to an agreement, we had fun doing relays with only three rules given for the first round.

Chaos broke out as teams got into arguments over what you can and cannot do, trying to work around the three rules.

We then gave the class an opportunity to negotiate rules as a class to make the game fair, fun, inclusive and safe - safe to say the last round was more inclusive and fun than the chaos that was the first round.

Ka pai everyone! We are proud of how you all worked together in the end to make sure that everyone was included while keeping those friendships and connections strong!

Keep those positive relationships going!

Malo 'aupito,

Kiwi Can

Leiona & Todd

## After School Sport - Starting Dates

We have nearly 300 students already involved in afterschool activities and it has been mammoth task to compile and register teams.

### Commitment

Commitment is essential life skills that your child will develop by being engaged in a team sport.

Team sports also helps children develop many social skills. It teaches them to co-operate, be less selfish, and to list to other children. It also gives children a sense of belonging.

### Coaches/Managers

Thank you to all those who have already offered their support in this area. There are still teams that require these experts, this can be a great opportunity for college students to give back.

## Winter Sports Registration

Registrations will be open next week for the following MMI Winter codes:

- Basketball - [MMI Basketball Registration 2024](#)
- Netball - [MMI Netball Registration 2024](#)
- Hockey - [MMI Hockey Registration 2024](#)

Please keep a close eye on your emails for notification and maybe check your spam folder.

Commitment: Your child needs to be committed to attending all trainings and games and even when injured your child will attend to support the team.

Deadline for all the above registrations is **Wednesday 6th March.**

## ‘BLUES’

Mount Maunganui Intermediate like to recognise the success of students in everything they do.

One way we represent this is to give students ‘BLUES’.

These can be given for achievement in the following areas:  
Sport, Cultural, Academic, Art, The Arts, Environmental, Leadership, ICT and Citizenship.

They will be given these after each event along with the following notice of where to place these on their school uniform.

**CONGRATULATIONS!**

  
MOUNT MAUNGANUI  
INTERMEDIATE

You have been very fortunate to receive a 'blue' from Mt Maunganui Intermediate.

This means that you have achieved well in a school related activity or represented our school.

This 'blue' is to be sewn onto your MMI polar fleece **on the top left hand sleeve**. If you are fortunate enough to receive more than one, then they are sewn underneath each other. If you have any questions please see your teacher.

★ We are very proud of you for achieving this!

## GENERAL SPORTS INFO

### Google forms:

Please make yourself familiar with the process of MMI sports registrations. These are generally completed online through google forms.

We do our very best to make it available through our many communication channels such as school emails, our weekly newsletter, MMI Facebook page and our website.

If you are not receiving emails, ***please check your spam*** in case messages are going there.

### Deadlines:

Deadlines for all sports registrations are important so that processes and organisation can be completed. Unfortunately we cannot extend cut off dates so please ensure you register on time.

### Payments:

Fees for activities need to be paid prior to activity starting, a payment arrangement can be made through the school office. Contact Karen [admin@mtint.school.nz](mailto:admin@mtint.school.nz) or phone the school office.

### Daily Notices:

All notices related to sport are on the daily notices, these are read out in each class and can be accessed on our website.

We encourage students to show independence and self manage to get to meetings and practices.

### Sports Office: (Monday, Tuesday, Wednesday & Friday)

This is now situated in the school hall, students are more than welcome to pop in and ask questions.

## TrySassy at Mount Intermediate

TrySassy is a programme for 11-13 year old girls (years 7 & 8) who don't actively participate in sports but want to be active in some way, while having fun with their peers and making new friends. The aim of the 16 week (2 term) programme is to improve self confidence, try new physical activities, and learn skills that will help the girls feel good about themselves as they develop into young women and become part of their wider community. TrySassy is all about FUN and CONNECTION!

TrySassy has previously been run in association with Triathlon Tauranga, but as demand has increased over the last few years, the programme has moved under the umbrella of a new charity Spark Success Trust. The charities purpose is to support the youth of Aotearoa develop self confidence and better mental health and well being outcomes for themselves. With generous funding received, this programme can be delivered at **no cost** to the girls and their families.

Research has identified that there is a direct correlation between a lack of physical activity by young girls and them having poorer mental health and lower aspirations than their male counterparts. It also shows that the biggest drop-off in girls participating in sport and/or physical activities occurs during the transition between primary and high school. Additionally, being active in adolescence is much more likely to lead to an active lifestyle in adulthood. Supporting our young females to be active, and stay active, is important for setting them up to be healthy and happy, now and in the future.

**TrySassy at Mount Intermediate is run on a Tuesday afternoon at the school starting on Tuesday 05th March.**  
The girls meet each week as soon as school finishes for the day until approx 4:15pm.  
The programme runs through Terms 1 & 2 during term time only.

We start each session with an information "chat" on various topics such as social media safety, self confidence, friendships, goal setting and self care. Then we move to a physical activity such as boxing, circuit training, giving different sports a go or design other games that promote physical activity, friendship and most of all FUN!!!

If this sounds like something that could benefit the young female in your life, please contact us for an enrolment questionnaire at [trysassy@sparksuccess.co.nz](mailto:trysassy@sparksuccess.co.nz) OR contact Kathy Miller on 021 9272 9818
