## Investigation Policy

(Schedule Three)

1. The following is the School's current policy for dealing with Disciplinary Actions and Welfare Issues. This is not intended to restrict the School's general powers relating to discipline and this policy may be changed from time to time at the discretion of the School.

### Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage investigation process.
3. In Stage One, the School will investigate and determine the facts of the situation being considered (**the Situation**), and will reach a conclusion on what happened and whether there is a Welfare Issue or an incident that requires Disciplinary Action or the termination of the Agreement.
4. In Stage Two, if the School has determined some response is required, the School will consider the appropriate outcome for the situation, up to and including termination of the Agreement.
5. During this process, the Student will have an opportunity to provide a response to the Situation and any proposed outcome that the School is considering taking (**the Proposed Action**).
6. This policy does not limit the School's power to take appropriate action urgently and without following this process if this is necessary having regard to the seriousness of the Situation
7. This policy also does not limit the School's power to require the student not to attend School for the duration of the Investigation Process where this is considered necessary for the safety or education of any person.

### General Policy

8. When the School is conducting an investigation involving the Student it will endeavour to provide the Student with the following:
  - (a) a written summary of the Situation (as it understands it) or the Proposed Action;
  - (b) an opportunity to respond to the Situation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
  - (c) an opportunity to consider the Situation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Situation or the Proposed Action) before giving a response;
  - (d) an opportunity to contact his or her Parent before giving a response, unless the delay caused by contacting that person is unreasonable having regard to the seriousness of the Allegation or Proposed Action;
  - (d) an opportunity to have an independent support person of his or her choice present at any meeting relating to the investigation process;
  - (e) an opportunity to meet with that support person in private at any stage during the investigation process;
  - (f) an opportunity to have a translator present (or otherwise facilitate the student participating in the process in his or her own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and
  - (g) a copy of this policy setting out the rights which the Student has when engaging in the investigation process.

### Stage One: Incident Investigation

9. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a disciplinary response or which may constitute a Welfare Issue, the School will notify the Student of the Situation and will provide the Student with an opportunity to give a response.
10. Where appropriate, having regard to the seriousness of the Situation, the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the Situation.

Initialed by: \_\_\_\_\_ (parent) \_\_\_\_\_ (student)

11. When the School makes a decision about the Situation it will advise the Student and parent, in writing if possible, about its conclusion as to what happened and whether it considers that it requires some kind of formal response – whether Disciplinary Action, Termination or other intervention.

**Stage Two: Outcome Discussion**

12. If the School determines that a formal response is required, it will advise the Student and parent of the possible actions that it will consider taking in response to the Situation and will provide the Student and parents with an opportunity to give a response.
13. Where appropriate, having regard to the seriousness of the Situation, the Student and parent will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the action to be taken.
14. When the School makes a decision about the action that it will take in response to the Situation it will advise the Student and parents of its decision, in writing if possible. The action will not take effect, and no actions will be taken to put it into place, until the Student and parents have been advised of the decision.

  - (a) The School agrees that all information regarding the Residential Caregiver, the Parents and the Student relating to the Accommodation will be kept confidential, except disclosure:

7. Unless otherwise agreed in writing by the parties, the Parents agree for the Student to travel and stay overnight within New Zealand in the care of their Residential Caregiver for not more than seven days where the travel does not involve the Student participating in any activities that the School considers high risk, or result in the Student missing any scheduled school days.
8. The School will seek specific written consent from the Parents for travel or overnight stays of more than seven days or that results in the Student missing any scheduled school days.
9. The Student will seek specific written consent from the School before the Student, being a Student of any age, participates in any activities the School considers high risk. The School will only give such consent where approved by the Parents.
10. The School may take such measures as it considers appropriate (acting reasonably) to monitor compliance with the Code. This may include regular check-ins with both the Student and the Residential Caregiver.
11. Unless otherwise agreed in writing, the Student will be entitled to start their Homestay at the Accommodation 5 days before the Period of Enrolment (as that term is defined in the Contract of Enrolment) starts and 5 days following the end date of the Period of Enrolment (as that term is defined in the Contract of Enrolment). Should this Agreement be terminated before the expiry of the Period of Enrolment the Student will be required to move out of the Accommodation immediately. The School may, at its sole discretion, and without being required to do so, extend the time for the Student to move out of the Accommodation. Any such extension shall be given in writing and shall be without prejudice to the School's right to later insist that the Student immediately move out of the Accommodation.

#### General

19. This Agreement shall be construed and take effect in accordance with the non-exclusive laws of New Zealand. In relation to any legal action or proceedings arising out of or in connection with this Agreement, the Parents irrevocably:
  - (a) submit to the non-exclusive jurisdiction of the Courts of New Zealand; and
  - (b) agree that proceedings may be brought before any Court including any forum constituted under the Arbitration Act 1996 within New Zealand, and waive any objection to proceedings in any such Court or forum on the grounds of venue or on the grounds that the proceedings have been brought in an inconvenient forum.
20. Notices given under this Agreement must be in writing and given to the addresses set out in the Application Form. Those sent by post will be deemed to have been received ten (10) days after posting. The Parties agree that email correspondence is a suitable means of communication and emails will be deemed to have been received when acknowledged by the party or by return email.
21. This Agreement contains the entire understanding of the parties and overrides any prior promises, representations, understandings or agreements.
22. The parties acknowledge that prior to signing this Agreement, they have had the opportunity to seek independent legal advice in respect of its content and effect.

#### Disputes

23. The parties agree that any dispute in relation to this Agreement will be resolved in accordance with the Code and the School Policies.

#### Signing

24. This Agreement may be executed in one or more counterparts, each of which when so executed and all of which together shall constitute one and the same Agreement. Delivery of executed counterparts may be delivered by email or facsimile transmission.
